INTERVIEW WITH SUSAN AND TOM KLEBOLD

On 04-30-99, at about 1635 hours I responded to Gary Lozow's office in order to interview Susan and Tom Klebold, the parents of Dylan Klebold. Also present for this interview was Sgt. Randy West, Investigator Cheryl Zimmerman and District Attorney Charles Tingle. Stephanie O'Malley and Gary Lozow were present assisting with the representation of the Klebold parents. Sgt. West explained the purpose of our visit was to obtain background information on Dylan Klebold and he asked that the Klebold's provide that information to us.

The Klebold's advised that Dylan Klebold was born 09-11-81, and was a healthy, happy child, who grew to be very bright. They advised that Dylan Klebold was very good at math, was shy, and was well loved by his teachers and peers. There were problems with Dylan. He joined Boy Scouts, won a Pinewood Derby and was a pitcher on a little league team. The Klebold's indicated that Dylan was gentle, and was that way until the day he died.

Mr. Klebold indicated that he and his son were very close and he is very upset with the way that the media has portrayed him. Mr. Klebold said that he has no idea what happened or why and indicated that Dylan was his best friend and that they spent a lot of time together. Mr. Klebold said that he believed that his son had a personality that was very similar to his. Mr. Klebold went on to state that Dylan always had few friends and that he was an easy child and a normal teenager. Mr. Klebold said that Dylan managed himself and his life well and pointed out that he was in a gifted program at Governor's Ranch Elementary, where he had wonderful teachers in his classes. Mr. Klebold indicated that Dylan's transition to junior high school was difficult for him and Mr. Klebold found that to be painful because he knew the issues that Dylan would go through from being in an elementary school to going to junior high school. Mr. Klebold said that he and his wife were not absentee parents and that they were always there for Dylan.

According to Mr. Klebold, Dylan was born at Lutheran Medical Center and went to Governor's Ranch Elementary School, where he was involved in the CHIPS Program between grades three and six. Prior to that, Dylan was in Normandy Elementary or first and second grade. Dylan then went on to junior high school at Ken Caryl and then ended up at Columbine High

Klebold's said that Dylan left sometime between 6:00 and 7:00 p.m. and got home sometime later that night. Mrs. Klebold said she asked Dylan if he had a good time and he said yes and indicated he had steak for dinner.

We then asked the Klebold's if they had any questions of us, and Mr. Klebold advised that he would like to get a copy of anything that was on the computer or any diary that Dylan may have left. The Klebold's indicated they would like to know about any writings by Dylan to help them understand what had happened on April 20th.

Mr. Klebold also indicated that he noticed that Dylan's voice was "tight" on Friday, April 16th. Mr. Klebold said that he made a mental note to talk to Dylan about this and believes that he may have even mentioned his concern to his pastor. Mr. Klebold said that he did not have a chance to talk to Dylan prior to April 20th.

Date of Report: 04/29/99

Control	Number:	DN1061

Type or Print Name: (Report made by)	Signature:	IBM Number:
Mike Jeffries / Perry Powell		4628

Contacted Mr. Don Juenemann on 04/29/99 by telephone at (913) 268-9304. Mr. Juenemann said his daughter had been contacted and interviewed twice by Jefferson county investigators within the last week. He did not have the names of the investigators.

REPORTING AGENT: ROLLIE INSKEEP CASE NUMBER: 99-38856
OFFENSE: AOA/HOMICIDE DATE OF REPORT:04-21-99

OBSERVATION/INVESTIGATION:

On 04-20-99, at approximately 1220 my office contacted me to respond to Columbine High School located in Littleton in reference to a shooting situation. Upon arrival at that location. I was directed to respond to which was the address of a possible suspect involved in the shooting inside the school. Three SWAT team members from Sheridan PD, who were identified as Sgt. Tom Bruton, Officer Joe Siskar, and Officer Dan Perry, and I arrived at at approximately 1315 hours. Upon arrival we contacted several people who were identified as Thomas E. Klebold (DOB: 04-15-47) the father of the alleged suspect Dylan Klebold. Also present was Dylan's mother, Susan Y. Klebold, (DOB: 03-25-49), Byron Klebold (DOB: 10-23-78), and Stephanie A. Juenemann (DOB: 10-04-71). Arriving at their residence shortly after my arrival, was Judy E. Brown (DOB: 05-26-49). After contacting the residence we had them exit the residence and we then proceeded to clear the residence for any other possible people hiding within the structure itself. After the residence was cleared 1 spoke with Dylan Klebold's father. Thomas Klebold

Thomas indicated that he does reside at this residence and his phone number is 3 Thomas was aware of the situation at Columbine High School and he, with the a pager number of knowledge of his attorney, Gary Lozow, (303-292-5656) agreed to speak with me about this incident. Thomas gave Dylan's birth date as 09-11-81 and indicated that Dylan did reside at their residence and that he is a senior at Columbine High School. Thomas indicated that he had been home at their residence for the entire day. He indicated that Dylan drove a black BMW with license plate GBZ2636. Thomas indicated his son had left early that morning because of a scheduled early morning bowling class. Thomas did not see Dylan leave the residence so he was not familiar what the clothing Dylan was wearing. When asked about possible clothing he wore, Thomas indicated his son Dylan did wear a black trench coat along with five or six other kids at the school. When asked whom Dylan hung around with, Thomas indicated first Eric Harris, who also wore a trench coat. He also indicated Zac Heckler, Nate Dykeman, Chris Morris who also wore a trench coat and a female identified only with the first name of Robin. Thomas indicated his son had gone to the prom with Robin on this previous Saturday evening. When asked about Dylan's behavior and attitude these last few days, Thomas indicated that Dylan's attitude was good. He was very communicative and Thomas did not notice anything unusual about his behavior. He indicated that his brother's name is Byron and that Thomas' wife name is Susan and that she is the biological mother. Again he reiterated that there was nothing unusual about Dylan's behavior nor any issues that Dylan seemed to be

Judy stated that her son, Brooks, was in the parking lot on this date at Columbine High School at approximately 1100-1130 hours when he met Eric Harris. Eric came to Brooks and stated "Like you, you better leave, you won't get hurt". Judy stated her son then walked to Pierce Street where he began hearing what sounded like shots. Brooks then ran to a house and called the police. She indicated that Brooks then called his father. Randy Brown, at the father's work. Judy indicated that another son, Erin Brown, was also in the school when the shooting took place however he was not injured.

Judy went on to state that this incident had been planned and was put on the Internet.

Judy stated that she took copies of the emails to the Jefferson County Sheriff's people and again spoke with the two people mentioned above. She stated that Eric was threatening the lives of her son and herself

Judy went on to state that approximately two weeks ago Brooks came home and said that Eric explained to him that he is doing fine now and that he (Eric) was just being crazy the past couple of years. Judy indicated that the two had been unfriendly toward each other until this conversation. Judy indicated she may have the case report number issued by Jefferson County in reference to her report she made to them. She stated that the reports were the worst, filthiest, vilest language she had seen, which threatened to kill her and her son. She indicated that there was an entire hate page of what Eric was going to do to them. She indicated that Eric had his own web page and on which he listed Brooks' name and address to see if anyone wished to harm Brooks She went on to state that Erin, her other son, was not involved with Eric but was aware of the threats made by Eric. Judy stated that Dylan was not threatening to her or her family. She indicated that Dylan worked on a school. lay with Brooks and there were no problems between the two of them. She stated that when Dylan and Brooks would not be hanging together there were no issues or confrontations. She indicated that she still has copies of the papers that she turned into the Jefferson County Sheriff's Department at her residence. Judy did not have any knowledge that this incident was going to happen on this particular date. She just voiced her opinion over and over that she knew it was going to happen and was not sure why nothing was done prior to this

During the course of the afternoon, we kept hearing television reports about the incident at Columbine High School. The parents continued to state over and over that this was not possible and that Dylan would not be involved in anything like this and again that we would not find any evidence of bombs or any bombs in their residence.

At approximately 2010 hours on this same date, Jeffco Sheriff's Deputy T. S. Faubion responded to our location. He was instructed to inform us that the parents were allowed to enter the house to get clothes and then we were secure the residence and have them leave. At this time, Tom, accompanied by myself and Deputy Faubion, entered the residence and obtained some clothing and personal articles for Tom for the next couple of days. After he was finished, Susan came into the residence and did likewise, along with preparing two birds and two cats to evacuate the home. With clothing in hand, along with their pets, the Klebolds left the residence at

approximately 2100 hours. At this time the residence was secured and turned over to Deputy Faubion

I then spoke with the command center who indicated that there was nothing further for me to do at this time.

On 04-21-99, I again responded to Columbine High School to assist with whatever needed to be completed. Myself, Detectives Slater and Wilson, and Sgt. McCasky responded to Swedish Hospital, Lutheran Hospital and St. Anthony's Central Hospital to speak with victims of the shooting. Comparison of the locker number list with the official list held by Chris ANDRIST (JCSD), reveals that there are some discrepancies between the two lists. This could have occurred as a result of kids swapping lockers, or it is possible this is a list from a prior school year, and that some of the kids kept the same locker from year to year. A copy of this report and KLEBOLD's list has been forwarded to ANDRIST.

On 043099 I contacted and his father by phone at their home. At that time I asked if he had had any contact with Eric or Dylan in a class at school. It is stated that he had been in two classes with Eric during the first semester, one was government and the other was an economics class. Stated that Eric had shown one of his "bizarre" videos in the government class and he thought it was thee "Intimidation" which depicted lots of profanity and shooting with a rocket launcher and guns. I asked the fif anyone had gotten upset with Eric about the video, and the replied that everyone thought it was alarming and the teacher got really pissed off.

then stated that he had been in a Calculus class with Dylan this current semester, but he hadn't had any problems with him. He was very sedate, though Dylan was in trouble a lot for either being tardy or not showing up at all, then when he was there he would sleep in the class and the teacher would yell at him and embarrass

him in class. I asked the state of if he knew any of Eric or Dylan's other friends and that he knew Robyn Anderson, but only in passing and nothing else.

SUBJECT:

OBSERVATION/INVESTIGATION:

On 042999 I contacted and I wanted to ask him some questions regarding Dylan Klebold. The stated that that would be ok and I asked him if he had been in classes with Dylan. It is stated that he had been in an English class last semester, and he had known he and Eric in his freshman and sophomore years, but they hadn't really stayed in contact. I asked the had had any run ins or arguments with Dylan in the past, and the replied that he and Dylan had an argument in class about spoiled kids who always got everything they wanted (and identified himself as a spoiled kid) and that Dylan got mad about it. I also believed that since he knew Robyn Anderson, Dylan might not have been happy with him. At that point maked if he was on a list or something and I denied that I knew anything about that.

I asked the fine knew anyone at school who used the nick name "Waldo" and replied well there is a Jock manned Ryan Waldo who sometimes uses the name Waldo but that's all I know

INVESTIGATION

While reviewing the Columbine Investigative files I became aware that one of the names on Dylan Klebold's "shit list" was Investigators had attempted to identify this person but only found one student, whose name was similar.

I then checked archived R-1 School records and found that DOB 10-30-80, is a previous student of Columbine High School. He became an inactive student on 08-17-98. Based on this information it appears that was not at Columbine High School on 04-20-99 and no further attempts will be made to contact him.

SYNOPSIS:

Case filing on juvenile defendants DYLAN SERNET KLEBOLD and ERIC DAVID HARRIS regarding a First Degree Criminal Trespass To A Vehicle, Felony Thefit with a total aggregate value of \$1719.00 and a Criminal Mischief with an aggregate value of \$100 damaged.

On January 30, 1998, at approximately 9:20 p.m., Jefferson County Sheriff's Deputy Timothy Walsh was conducting patrol duties in Deer Creek Canyon Park, 13896 Grizzly Drive. Littleton, Colorado, County of Jefferson, State of Colorado. Deputy Walsh observed a grav 1986 Honda Prelude, Colorado license GBP-2613, parked near the north/west corner of the parking loc. Deputy Walsh reported that two juvenile white males were observed inside the vehicle. Upon approaching the vehicle Deputy Walsh reported he observed the passenger, later identified as Dylan Bennet Klebold and the driver, Eric David Harris, viewing a variety of items from the back seat of the vehicle; including a yellow meter (JCSD Item #1), a black flashlight (JCSD Item #9), and a video control pad (JCSD Item #7). Deputy Walsh reported he could see a "stack of property" located behind the passenger seat. Deputy Walsh reported that Harris them said, "Hey, we better put this stuff in the trunk" and unlatched the trunk from the interior of the car. As Harris exited the vehicle he was sub-requently contacted by Deputy Walsh. Deputy Walsh reported that when he asked Harris ab the property he and Klebold were inspecting, Harris stated, he and Klebold were "messing around" near Deer Creek Canyon Road and Wadsworth Blvd. Harris continued stating they were walking near the parking area when they found the property neatly stacked in the grass.

Initially during the interview, both Harris and Klebold said that they "found" the property near Deer Creek Canyon Road and Wadsworth. Klebold then told Deputy Walsh there was a white van parked at Déer Creek Canyon Road and Wadsworth Blvd. and they broke out the passenger window and stole all the property that was discovered in their possession. After this admission by Klebold, Deputy Walsh asked no additional questions, and Harris and Klebold were taken into custody. Both Harris and Klebold were then transported to the Jefferson County South Sub Station for parental notification.

At approximately 9:37 p.m., Deputy Miller discovered a 1997 GMC van, Colorado license SBA-3094 located facing morth on the north side of Deer Creek Canyon Road about 100 yards west of Hwy 121. Deputy Miller stated that he observed the passenger side window had been broken out and a large rock was observed between the two front seats of the vehicle. Deputy Miller did note that the interior of the vehicle "appeared to be scattered around in disarray. J.C.S.D. Dispatch contacted Westover Mechanical Services, the business name printed on the vehicle. Ricky Becker then responded to Deputy Miller's location.

At approximately 9:45 p.m., Becker advised Deputy Miller that he had parked the vehicle at the location he had discovered the van and went to dinner with a friend. Becker stated he left the vehicle at approximately 8:00 p.m. and was "positive" the vehicle was locked. Becker advised Deputy Miller that the items inside the van appeared to have been disturbed are one through. Becker advised Deputy Miller that due to the condition of the van he would need to conduct an inventory at a later time in order to determine if any property items were missing from within.

Eric Harris's parents, Wayne Harris and Katherine Harris met with Deputy Walsh at the Jefferson County South-Sub Station. Eric Harris was advised his Miranda rights via a written J.C.S.D. Advisement/Waiver form. Both Sric Harris and his parents stated they understood his rights and would agree for Eric Harris to make a statement. Harris stated to Tenuty Walsh that Klebold and he had gone to the parking area on Deer Creek Canyon Harris stated while "messing around" Klebold looked inside a white van, that had been parked next to Harris's vehicle, and saw some property in it. Harris said that Klebold asked him, "Should we break into it and steal it?" Harris stated he initially told Klebold, "Hell no." Harris told Deputy Walsh another car drove into the parking and they got back in Harris's car. Harris stated they remained inside the vehicle for approximately five minutes and discussed if they were going to break into the vehicle or not. Harris stated that they agreed that they would (break into the vehicle). Harris stated that he told Klebold "Yeah. we'll try it." Harris told Deputy Walsh that he stood on Deer Creek Canyon Road while Klebold put on a ski glove onto his left hand and tried to "punch out" the passenger window of the van. Harris said that Klebold tried this "three times" unsuccessfully. Harris stated he then put the right ski glove on his hand and attempted to "punch out" the glass one time. Harris told Deputy Walsh that they decided to get a "rock" from the grassy area of the parking lot. Harris stated that Klebold found a round rock, approximately 10-12 inches in diameter. Harris stated that Klehold was finally able to break out the passenger window with the rock after striking the window approximately seven times. Harris said he again stood watch while Klebold was breaking out the window. Harris said after breaking out the window and the rock fell into the front seat of the vehicle, Harris then cleared the class off of the window. Harris stated he re-entered his vehicle and waited while Klebold removed the property inside the van. Harris stated Klabold put all the property from the vehicle into the back seat of his vehicle, behind the passenger seat. Harris said he estimated that they were in the parking lot for approximately 30-40 minutes, and they were inside the van taking property for approximately 3 minutes. Harris stated once Klaboli had taken the property and gotten back into his car they decided to go to Deer Creek Canyon Park to decide what they were to do with the property, and they were at the park for approximately 3 minutes prior to wing contacted by Deputy Walsh.

Jefferson County Sheriff's Sgt. Phillip Lebeda conducted an interview with Dylan Bennet Klebold and his parents, Thomas Klebold and Susan Klebold. After advising Klebold of his Miranda rights, both Klebold and his parents completed a J.C.S.D. Advisement/Waiver and agreed to make a statement.

Klebold told Sgt. Lebeda that he and his friend, Eric Harris, had traveled to the area of Wadsworth and Deer Creek Canyon Road. Klebold told Sgt. Lebeda that he and Harris had discharged fireworks and broke bottles for about 20 minutes. Klebold said that he and Harris then decided they could break into a vehicle and take stuff from it and "not get caught." Klebold stated that he and Harris attempted to gain entry into the vehicle by striking the passenger side window with their hands. Klebold said after striking the window several times, Harris then went and sat in his car in case they had to "get away fast." Klebold said he picked up a rock approximately 6-8 inches in diameter and struck the window at least four times before breaking the window. Klebold said he then entered the vehicle and took several items from inside the vehicle. Klebold told Sgt. Lebeda that he took, "one brief case, one black pouch, one flashlight, a yellow thing, and a bucket of stuff." Klebold said he then carried these items to Harris's car. Klebold also stated the he was wearing black ski gloves belonging to Harris so no fingerprints would be left. Klebold told Sgt. Lebeda that he had no idea what they were going to do with the stolen property. They then drove to Deer Creek Canyon Park where they were subsequently contacted by Deputy Walsh.

Up completion of the respective interviews Harris and Klebold were transported to the $J. \odot J.D$. Detentions Facility where fingerprints and photographs were taken. Both Harris

and Klerold were subsequently released back into their parents custody, pending filing of criminal charges.

On Tanuary 31, 1998, at approximately 4:45 p.m., Deputy Mark Miller was contacted by Ricky Be. : Ricky Becker told Deputy Miller that he had thoroughly examined his work van and not led several items were stolen from the passenger compartment of the vehicle. Ricky Becker provided Deputy Miller an itemized list of the items he stated were stolen from his vehicle, with a total value stolen of \$1719, and approximately \$100 damage to the passenger side window of the van.
