LOCATION WHERE STATEMENT TAKEN: Headquarters

SUMMARY OF STATEMENT

On 04-20-1999 we were working in the Sex Crimes Unit. We were sent to assist with the shooting at Columbine High School at about 1345 hrs. We responded to Pierce and Leawood, where we were directed to Leawood Elementary School. We walked to Leawood Elementary and were contacted by Capt. Saltzman. A school bus arrived with students who needed to be interviewed and we directed the bus to the side entrance to the gym. We learned that the gym was full of parents and we directed the students to the music room so that they could be interviewed. A Jefferson County Deputy told us that those who had witnessed the shooting or seen the shooters would be interviewed in the library. We then began to contact the students and the ones who had witnessed anything were taken to the library. We found that some counsellors were trying to sign out the students who did not see anything and we asked them to get full information on the students. When the interviews were complete we were eventually relieved from the elementary school and we responded back to Leawood and Pierce where we contacted Deputy Chief Abrams and Division Chief Gordon to see if we were needed for anything else. After we were released from that location we returned to headquarters.

CORRESPONDENCE

TO: Crimes Against Persons

FROM: Sgt. Roger Barker, Field Training Coordinator, District Four

DATE: 4/20/1999

SUBJECT: Columbine High School

On the above date reporting officer was in the District Four station when a call was received from a student at Columbine High School at approximately 1137 hours. The student later identified as the son of officer Wayne Depew reported that shots were being fired inside the school and that students were wounded by the gunfire. Officer John Lietz kept this party on the phone and simultaneously contacted Jeffco Sheriff dispatch. He in turn continued to relay information relative to the shooting to the dispatcher and kept in touch with student Depew. At the same time I established a relay to DPD officers to keep them updated on the situation as Officer Lietz relayed the information to me. Subsequent to that reporting officer setup Channel 5A with the assistance of Technician Hays and Detective Loughlin. This took place at approximately 1300 hours. We coordinated communications in this manner until approximately 1400 hours when radio took over Channel 5A. Following that Technician Hays and myself responded to the scene to assist there.

Upon our arrival we were sent to Fair and Pierce to assist a multi-jurisdictional team in the removal of students from the school via school bus. Approximately 3 busloads of students were evacuated to a nearby elementary school for debriefing by investigative personnel.

At the conclusion of the situation Officer Hays and myself escorted a U.S. Army armored personnel carrier back to its transport vehicle and we were relieved at approximately 1730 hours.

Upon arrival at the school a Lakewood Officer that was directing traffic near the command post at Bowels and Pierce St. directed us to the West Side of the building. We drove west through the park ending up on top of a large hill overlooking the West Side of the school. Present at this location were Lt. Ryan, Sergeants Selander, and Jones. While attempting to we sure the west side of the building it was apparent that other Officer who were closer to the building were attempting to extract students from the building. After about two – three minutes a large amount of gunfire erupted and it appeared that the Officer were under fire from hostile that were shooting from with in the building. The gunfire lasted about ninety seconds.

Lieutenant Ryan and Sergeant Jones drove to the area of the shots and Ryan instructed us to remain at the observation point. Within a short time of Ryan's departure, Captain Sandoval requested additional assistance at the command post located at Pierce/Bowels. Sergeant Selander remained at this location and Detective Daniel E. Rojas and I responded to Sandoval's request.

We were requested to report to Captain Lighthouses and Lieutenant Wheeler, upon arrival Wheeler was in the process of assembling a group of Officer and after the Officer were assembled we responded to Weave and Kendell in order to check for additional suspects. This area was searched and no suspects were found. While searching Detective Daniel E. Rojas located evidence of a detonation involving a two-liter plastic bottle. We recovered the bottle and took photos of the damage. We then responded to a second location South of the school on Pierce, attempting to locate additional suspects. We were unable to locate any suspects and we responded back to the command post.

In responding back to the command post Captain Sandoval ordered us to respond to Lakewood Elementary School to assist with crowd control because the high school students were being transported there. At the elementary school we reported the to Captains Leighthouser and Saltzman and were assigned to crowd control in the stage area. While at the school we assisted Detectives with statements and the briefing of the students.

On 04-20-1999, I was sent to the scene of this incident by Lt. Williams, of the Denver Police Vice/Narcotics Bureau, at about 1430 hrs. I responded from our office to that location. Upon arrival, I was assigned by Sgt. Subia, to cover an Ambulance crew, should they need to respond into the school area to assist any wounded parties. The ambulance however was never sent into the school for victims.

Once the scene was secured at the school and it was determined that there were no other surviving victims that would require treatment by paramedic crew's I was released from my assignment with the ambulance.

SUMMARY OF STATEMENT

On the date of 4-20-99 at approximately 1125 hours, Detective Brennan 82-87 was at the location 5125 W Florida Ave, Denver, Co conducting a photo line up at the King Soopers store when the call for help was aired by Jefferson County Sheriffs officers. It was related that these officers were under fire at Columbine High School.

The RD responded to the location of Pierce St & Lealand Ave, where the initial command post was set. The RD assisted initially at this location keeping the area clear while a triage area was set.

The RD contacted Captain Collier at the scene and assisted as the decision was made that Denver detectives would be assigned to an individual ambulance as injured students or faculty was evacuated from the school. That detectives would board each ambulance and respond with the victim to the hospital.

Upon the communication with the forward Tactical Teams, the RD, et al, moved South on Pierce St, to the East entrance of Columbine High School. It was found that only one male student was evacuated to the location and was transported by ambulance. The RD assisted at the location with the evacuation of students from Columbine High School.

During the time at the location the RD spoke to Jefferson County Sheriffs Officer Gardner, who related of being the school resource officer assigned to Columbine High School. Officer Gardner related that at the start of the incident he was fired upon and returned fire on one of the suspects.

Upon the conclusion of the assignment at the forward post, the RD returned to the Command Post at Pierce & Leawood. The RD was requested to respond to Leawood Elementary School and assist with statements from the witnesses. The RD found that the statements had been completed by detectives that were at the location. The RD then returned to Denver Police Headquarters.

CAMPBELL, G

**DENVER POLICE DEPARTMENT
INTER-DEPARTMENT
CORRESPONDENCE**

TO: Sgt. M. Fetrow

FROM: Detective G. A. Campbell, 86067

DATE: 04/21/99

SUBJECT: Actions taken at D.H.M.C. 04/20/99

Sir,

The purpose of this letter is to inform you of the actions I took at Denver Health Medical Center, and else where about the city in relation to the multiple shooting at Columbine High School on 04/20/99.

At 1300 hours I was accompanying Detective Martin Martinez, 81018 to Denver Health Medical Center to interview a victim on one of his Domestic Violence cases. Upon learning of our destination, Sgt. Priest and Sgt. Meier asked us to stay at the hospital and get the names of any victims that arrived there from the multiple shooting at Columbine High School. We were to gather any evidence and obtain statements from the victims if possible.

1310

On our arrival at the hospital we were informed that Detective Martinez' victim had already been released. We were escorted into the waiting room by hospital security, who wanted us to wait and talk to an admissions supervisor to get the information from the shooting victims. The nursing supervisor instructed us to go into the emergency room so we could get the necessary information in a more timely fashion.

We contacted Dr. Cantrill, the E.R. supervisor, who informed us of two victims currently in the E.R. and one more enroute. He then completed serious bodily injury reports on Lance Kirkland, 02/16/83, and Jenna Park, 04/02/81. Kirkland was already in the Operating Room being treated for multiple gunshot wounds to the right thigh, chest, and face. Park was in the E.R. being treated for multiple gunshot wounds to the right knee, right shoulder, and right foot.

1400

We met Deputy John Healy from the Jefferson County Sheriff's Department, who was at the hospital to collect evidence and obtain statements. Healy stated he had arrived at the hospital on the first ambulance with Lance Kirkland. Healy had already obtained the clothing from Kirkland and Parks, and placed it in paper bags.

1415

The third gunshot victim was identified as Mark Kintgen, 05/30/81. Dr Cantrill completed a serious bodily injury on him, stating he a single gunshot to the head.

1430

I obtained a list of known victims and the hospital they were being treated at from the E.R. staff and sent a copy of the list to Sgt. Meier via fax.

JC- 001-009279

1455

I was contacted by Lt. Yount as to the identity and location of the victims. I referred him to Sgt. Meier, who had the list. A P.I.O. was requested to handle media concerns, and Detective M. Hall responded to the hospital with more evidence bags.

1510

Mark Healy's condition was upgraded to stable, and we were informed a fourth victim was enroute to the hospital. The staff also informed us they were preparing for up to thirty more victims.

1530

Post 10- Sgt. Hoffman, Post 11, Technician Swedlund, and Post 19 Officer Denison responded to the hospital for crowd control and security. A report of a carload of armed suspects following an ambulance necessitated heightened security.

1555 Victim #4, Lisa Kreutz, arrived at the hospital. Dr. Cantril completed an S.B.I. form for her shortly thereafter. He indicated she was suffering from multiple extremity gunshot wounds.

1600

Detective Hall and I assisted Detective Martinez and Investigator Healy in obtaining family information on the victims, and contacting the family members at the hospital.

1630

We were informed there would be no more ambulances at D.H.M.C. We continued meeting with the families.

1823

After gathering all the evidence we secured from D.H.M.C. and informed Sgt. Meier of the final outcome. A final list of victims/ locations was sent to him. Detective Martinez and myself transported Investigator Healy to the Command Post near Pierce and Bowles, arriving at 1910 hours. All evidence obtained at D.H.M.C. by Investigator Healy was placed into a Jefferson County Sheriff's vehicle, as directed by supervisors at the scene. All of the original copies of the S.B.I. forms were turned over to Detective Healy, and copies kept for D.P.D. records.

2110

Detective Martinez and myself returned to Police Headquarters and started to write the activity letter. Detective Penington informed us that there had been threats of further attacks 04/21/99. He told us to secure for the evening, and get rest.

04/21/99

I completed this letter and forwarded it through the proper channels.

Respectfully,

Detective G.A. Campbell, 86067
