## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 05/01/99

On this date the Federal Bureau of Investigation (FBI) Denver Division's Evidence Response Team (ERT) was called upon to assist in the homicide scene at Columbine High School 6201 South Pierce Street, Littleton, Colorado (CO). The crime scene was in the control of the Jefferson County Sheriff's Office (JCSO). Lead crime scene investigator for JCSO Chris Andrist. Andrist assigned ERT to process the south west side of the school which had two (2) deceased parties as well as evidence of gunfire and explosive devices.

At approximately 9:00 A.M. crime scene team leaders met with JCSO and received a briefing. Total dead at the scene was fourteen (14) students and one (1) teacher. Twelve (12) bodies were in the library which included two (2) dead suspects. One (1) body, believed to be that of the teacher was in a science room. Two (2) more bodies were outside the west door. Numerous exploded pipe bombs and other devices were located throughout the school. In addition to the suspects shooting, JCSO reported that numerous responding officers and SWAT personnel had fired their weapons during the rescue of students.

At approximately 9:25 A.M. Andrist then provided a walk through of the crime scene to team leaders. Writer observed obvious signs of discharge of firearms upon entering the east (main) door of the school. Shell casings, live ammunition, bullet holes and broken glass was immediately observed and continued that way throughout most of the walk through. While proceeding through the school we observed numerous discharged pipe bombs.

Writer proceeded to the library with other team leaders and observed twelve (12) deceased persons with obvious signs of severe trauma. Most of the dead were under tables in the library. Two (2) males, identified as Eric David Harris, white male, DOB 04/09/1981, SSN# 284-82-1478; and Dylan Bennet Klebold, white male, DOB 09/11/1981, were observed lying next to each other near the south east corner of the library. Both appeared to have suffered head wounds. Numerous firearms to include a 9mm pistol, a 9mm carbine type rifle, a sawed-off shotgun and, as well as ammunition was observed near the two (2) bodies. Harris had on a white shirt, and Klebold was dressed in black.

Next we preceded to the cafeteria and observed hundreds on back packs and a lunch room that appeared to have been evacuated in the middle of lunch. Discharged pipe bombs and shell casings were also observed.

Andrist then showed team leaders the location of two (2) additional bodies which were outdoors on the west side of the school. Both bodies had been covered and had been designated by JCSO as #14 and #15. Denver ERT was assigned to process this area and recover the bodies.

A briefing was held for ERT personnel and Colorado Bureau of Investigation (CBI) Special Agent (SA) Wayne Bryant, who was assigned to the team. The following personnel were involved in processing this scene:

- SA Carle Schlaff - FBI - Team Leader
- SA Kurt Remus - FBI - Video/Evidence - Body #15
- SA Peter Hunkar - FBI - Evidence
- SA James Mahoney - FBI - Photo log/Evidence
- SA Stephen DiRito - FBI - Sketch
- SA Mike Barnett - FBI - Evidence - Body #14
- SA Joe Airey - FBI - Evidence
- Laura Brady - Photo Log
- Rob Sack - FBI - Sketch/Video
- Julie York - FBI - Photo
- Barb Seago - FBI - Photo
- Lana Wilcox - FBI - Sketch
- SA Wayne Bryant - CBI - Evidence

At 10:30 A.M a crime scene log for entry of this area from outside was utilized to start the processing. Colorado State Patrol (CSP) officers were manning perimeter areas of the school and barrier tape which extended from the north west corner of the fenced cooling units to the west fence. The south side of the scene was contained by the parking lot fence that ran west from the school. The east side of the scene was the school and the west side of the scene was contained by CSP officers at the soccer fields.

To further describe this area, it was divided in five (5) areas as follows:

4-DN-57405

Continuation of FD-302 of Investigation Report . On 04/21/1999 . Page 3

Area 1 - The immediate area which included Body #15 which was a white male, lying on the sidewalk on his right side with his head facing south; bordered on the west by the stairs, south by the parking lot fence, east by the school and north by the fence at the top of the stairs.

Area 2 - Described as the west entrance and walkway to the school; bordered on the east by the school, south by the school/fence, sidewalk on the west and fenced area as the north border.

Area 3 - The immediate area around Body #14 which was a white female, lying on the grass on her back, head to the east; bordered on the east by the fence compound, north by the crime scene tape, and bordered west and south by the sidewalk.

Area 4 - Described as the grassy area the extends west of Area 1; bordered on the east by the stairway, south by the parking lot fence, north by the sidewalk and west by the end of the parking lot fence.

Area 5 - The fenced area around the garbage bins, cooling units and paved area adjacent to the west entrance to the school.

Rough sketches were completed for each of these areas and assigned as following:

Area 1 and 2 - Wilcox  
Area 3 - Sack  
Area 4 - DiRito  
Area 5 - Airey

Preliminary photographs and video was completed by Seago, York and Remus.

Coroner's Office and John Cline, Jefferson County Coroner's Office, were allowed on the scene to recover Body #15. Upon examination of the body, a Columbine School Identification Card the name of Daniel Rohrbough, 9th grade, was found in a pocket.

4-DN-57405

Continuation of FD-302 of Investigation Report, On 04/21/1999, Page 4

The victim had what appeared to be three (3) total gun shot wounds to the chest area and arm. Body #15 was removed at approximately 11:50 A.M.

Upon closer examination of Body #14, a Colorado Driver's license in the name of Rachel Scott, DOB 08/05/1981, was found in her pocket. The victim appeared to have suffered gun shot wounds to the head, left arm, right breast and thigh of left leg. She still had a back pack attached to her body. Body #14 was removed from the scene at approximately 12:15 P.M.

Evidence collection was coordinated through the JCSO by design and the following JCSO Deputies worked with ERT:

Jack McFadden, Bob Vette, Mike Russell and Dan Dunnebecke

Standard evidence collection techniques began at approximately 1:00 P.M. Evidence was not specifically marked, only the packaging. See attached evidence logs for specifics and further information.

A brief summary of the evidence is the following:

Some other items of evidence which were not found in these five (5) areas was collected by ERT personnel and turned over to JCSO. See log for further details. Also, Rob Sack - ERT video recorded the license plates of all vehicles found in the west, east and north parking lots of the school on this same date.

All back packs and obvious personal property of students was also collected as "found property" and transported to the east entrance of the school for storage.

The processing of the crime scene was completed at approximately 5:30 P.M. All film and video tapes was processed and copied by the FBI. Original 8mm video tapes and 35mm negatives were later turned over to JCSO. Denver FBI has not retained any evidence from this operation other than a copy of the video tapes and the photographs. Notes and rough sketches will be maintained by Denver FBI.

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 05/01/99

On this date the Federal Bureau of Investigation (FBI) Denver Division's Evidence Response Team (ERT) continued with processing evidence found at Columbine High School, 6201 South Pierce Street, Littleton, Colorado (CO). ERT was assigned to process the cafeteria.

At approximately 8:15 A.M., the school was still secured by Jefferson County Sheriff's Office (JCSO). During a walk through of the cafeteria with SSA Ronald Knight we noticed the following:

Approximately 10-15 feet away from a burned orange duffle bag which exposed a 25 gallon tank of propane, a gallon can of Coleman's camp fuel, alarm clock and other debris, we observed a blue duffle bag, round in shape (20" in diameter) and approximately 3 feet long, sitting on the floor. The blue duffle bag appeared to be packed tight with unknown items. We touched the top center of the bag and felt something hard, believing another tank of propane to be in the bag.

Sgt. Glen Grobels, JCSO and Deputy Mike Guierra were close by along with SA Greg Sexton, FBI Bomb Technician. All were summoned to the newly discovered bag. Guierra sliced open one end of the bag and we observed the end of a pipe bomb and a alarm clock which appeared to be the same as the one at the orange bag.

Bomb Squad members closed off the cafeteria immediately and maintained the scene from 9:30 A.M. until 10:30 A.M. Writer photographed the bag prior in original condition and after work by bomb technicians.

At approximately 10:30 A.M. a briefing was held with ERT and other crime scene personnel assigned to assist. The scene was divided into three (3) areas, described as follows:

Area 1 - Main cafeteria and kitchen area to the base of stairwell to south west corner

Area 2 - Stair way, landing to edge of carpet in hallway, and to south door

The following personnel were utilized and assigned the following:

Peggy Rowlett - Wheatridge Police Department;  
photographs/evidence  
Diane Cloyd - Arapahoe County Sheriff's Office;  
photographs  
SA Peter Hunkar, FBI - Assisted with  
sketching/Evidence/Secondary Video  
SA Stephen DiRito, FBI - Sketch Area 1  
SA James Mahoney, FBI - Sketch Area 3  
SA Kurt Remus, FBI - Video/Evidence  
SA Mike Barnett, FBI - Evidence  
Lana Wilcox, FBI - Sketch Area 2  
Laura Brady, FBI - Assisted on sketch Area 1  
Julie York, FBI - Evidence/Assist with sketching  
Barb Seago, FBI - Evidence/Sketch assistant  
SA Wayne Bryant, Colorado Bureau of Investigation (CBI),  
Photographs/Evidence  
SA Cordell Brown, CBI - Evidence  
SA Scott Pratt, CBI - Evidence  
SA James Crippen, CBI - Significant Bomb Evidence

The evidence logs were completed by Detective Ralph Gallegos and Doug Moore, JCSO.

Standard crime scene processing started at approximately 10:45 A.M. and ended that day at approximately 4:30 P.M.

On April 23, 1999, at approximately 8:30 A.M. the team assembled once again and continued with processing. JCSO still maintained the crime scene and started a new crime scene entry log. SA Carol Sniegowski, FBI joined the team on this date. SA Mahoney and Seago did not return on this date.

All evidence was collected at the scene and turned directly over to JCSO personnel. FBI retained film and video that ERT took and had it processed. All original 8mm video tapes and 35mm film was later turned over to JCSO after being copied. The

We need to do a summary for ERT Unit on the Columbine case

Date 4/20/99

Title: Eric Harris;  
Dylan Klebold;  
Unsubs;  
Columbine High School  
Littleton, CO  
Firearms Act - Homicide

Number of ERT : 12

Hours: 700 hrs

ERT Denver was called upon to assist local law enforcement on the Columbine HS massacre. Twelve (12) students and one (1) teacher were murdered by two (2) students on campus who then later committed suicide while on scene. Multiple surrounding crime scene technicians were also involved in the operation. FBI and Colorado Bureau of Investigation (CBI) had the largest teams. ERT assisted with processing the body scenes which included evidence of a large amount of gunfire, both by suspects and law enforcement officers. Also the suspects exploded numerous pipe bombs and other smaller devices throughout the school and outside. Basically, the entire campus was a crime scene except for the gym. ERT WAS ON-SITE FOR APPROXIMATELY (1) WEEK

Also, the Investigative and Prosecutive Graphics Unit was called upon to assist and ERT were directly with them.

Thanks - Carle
