underneath the desk" and something about someone having a gun. Thinking this may be some type of morning announcement or a skit by a video class, [REDACTED] stood up in confusion. He then heard a couple of gunshots go off in the hallway outside the Library. [REDACTED] was also standing when [REDACTED] heard these gunshots. He does not recall if somebody again said to get under their desks. [REDACTED] and [REDACTED] both ran to the [REDACTED] side of the Library and got under table [REDACTED]. He did see [REDACTED] and [REDACTED] get under the table #8.

[REDACTED] crawled under the middle part of the table with his primary view being of table [REDACTED]. Underneath the table with him were [REDACTED] a white male student and [REDACTED]. Attachment A is a copy of a diagram of the Library at Columbine High School. On the diagram, [REDACTED] noted where he and the others sat underneath table [REDACTED].

[REDACTED] with chairs placed in front of them. [REDACTED] was on the south side of the table on the outside of the leg for the table. The other white male student was on the north side of the table, but still inside the legs. Several chairs were on the east side of the table which blocked [REDACTED] view of the area around tables numbered [REDACTED].

Immediately after getting under table [REDACTED] the Library was extremely quiet and [REDACTED] could hear a female teacher on the telephone. He then heard a scream from the front area of the Library followed by two gunshots. The next thing he heard were gunshots within the Library near the librarian's desk.

[REDACTED] then heard someone walking back and forth near the reference table. He could hear two male voices hollering. The individuals were making statements including something to the effect of "all jocks in here are going to die" and "all jocks stand up." He did not remember seeing anyone stand up after the statements were made. The gunmen also made a statement about shooting anyone wearing a hat. [REDACTED] on and when he heard the comment about shooting anyone with a hat, he took it off and held it.

[REDACTED] then heard multiple gunshots up in the west part of the Library near the computer tables. He did not recall

specifically any comments made by the gunmen or how many gunshots he heard. [REDACTED] view of that area was blocked by the tables and chairs around him. He then saw a gunman near table number nineteen #19. The gunman was a white male and was wearing a white shirt, black pants. He had light brown hair and was very skinny. The gunman was holding a sawed-off shotgun. [REDACTED] could not recall in which hand he carried the shotgun. The gunman reach down under table #19 and shot one of the female students under the table. [REDACTED] did not recall hearing any statement by the gunman or the gunmen having a conversation with the victim prior to the gunshot. After seeing the shooting at table #19, [REDACTED] glanced back over his shoulder looking toward tables [REDACTED] saw and heard a gunman shooting. He could only see the gun held by the gunman as his view was blocked by the chairs on the east side of the table. He could give no description for this gunman. After seeing and hearing this other gunman, [REDACTED] immediately turned his head away.

b7C

Shortly after hearing the gunshots near tables [REDACTED] [REDACTED] heard one of the gunman state something to the effect of "look at this little nigger." Following this statement, he heard two or three gunshots. One of the gunman then said "is he dead" which was followed by a "yes" response from the other gunman. As the gunman were still within the west section of the Library or as they were moving away from that section, he heard one of the gunman state "got to reload."

b7D

The gunmen then moved to an area further away from the west side and the shooting continued. [REDACTED] was not looking around the Library from this position because his view was limited. After the gunmen left his section of the Library, he mostly kept his head down and only heard multiple gunshots in the other parts of the Library. [REDACTED] was unable to give any movement for the gunman in the other parts of the Library. He did hear lots of explosions within the Library while the gunmen were shooting. He could not specifically recall the sequence of when those explosions occurred and in what parts of the Library. The explosions did cause parts of the ceiling to begin falling and caused wood chips to fly around [REDACTED] table. The explosions also made the rocks on top of the roof sound like they were jumping.

[REDACTED] thought the gunmen were in the Library for approximately 45 minutes. [REDACTED] had not looked at his watch but stated it seemed the gunmen were in the Library for that period of time. Approximately half way through the time the gunmen were in the Library, he heard one of the gunmen state "I've wanted to kill someone with a knife." He heard the gunman state this and saw one of them reach down his leg to grab a knife that was on his ankle. He could not specifically remember where the gunman was standing when he made the statement, but thought it was near the area of table #19. After making the statement and reaching for the knife, the gunman walked back toward the center area of the Library. [REDACTED] was unable to further describe the clothing worn by that gunman and did not know if it was the same gunman he saw shoot the female student under table #19.

[REDACTED] does remember hearing one of the gunmen state something to the effect of "we're going to burn this place up." He thought the statement was made in a tone that the gunman wanted the students to try to get up and run out. He cannot specifically remember at what point this occurred during the shootings or in what part of the Library the gunmen were. Just prior to the gunmen leaving the Library, he did hear one of them state "we're going to blow up the whole Library." He knew this was prior to the gunmen leaving because several minutes after the statement, he could hear gunfire in other parts of the school. He did not specifically see the gunmen leave the Library and only believed they were gone after hearing the gunshots in the other part of the school.

Just after hearing the gunshots in another part of the school, [REDACTED] saw one of the students get up and start to run towards the back door. When nothing happened, everyone in the area started to get up and exit towards the back door. As he was running to the back door along the west windows, he noticed the Library was filled with smoke. [REDACTED] concentration was solely on exiting the Library and he did not look around the Library. He did remember seeing kids in the offices, along the hallway, leading to the back door. After running out the back door of the Library, he ran up the grass hill and hid behind a police car.

There were approximately 35 people hiding behind the police car. [REDACTED] recalled seeing [REDACTED] and

The students waited behind the police cars until other police cars came down to their location. These police cars shuttled the injured students away first. Several more police cars came and shuttled more students away. [REDACTED]

[REDACTED] has a [REDACTED] backpack that he left at his table in the Library. The backpack had a hole in part of the bottom. The backpack contained schoolbooks and papers. He had no valuables in his backpack. [REDACTED] could not recall his locker number but knew it to be in [REDACTED] hall. His locker did contain school books but no valuable property. [REDACTED] did not use his locker a whole lot as it seemed to jam a lot.

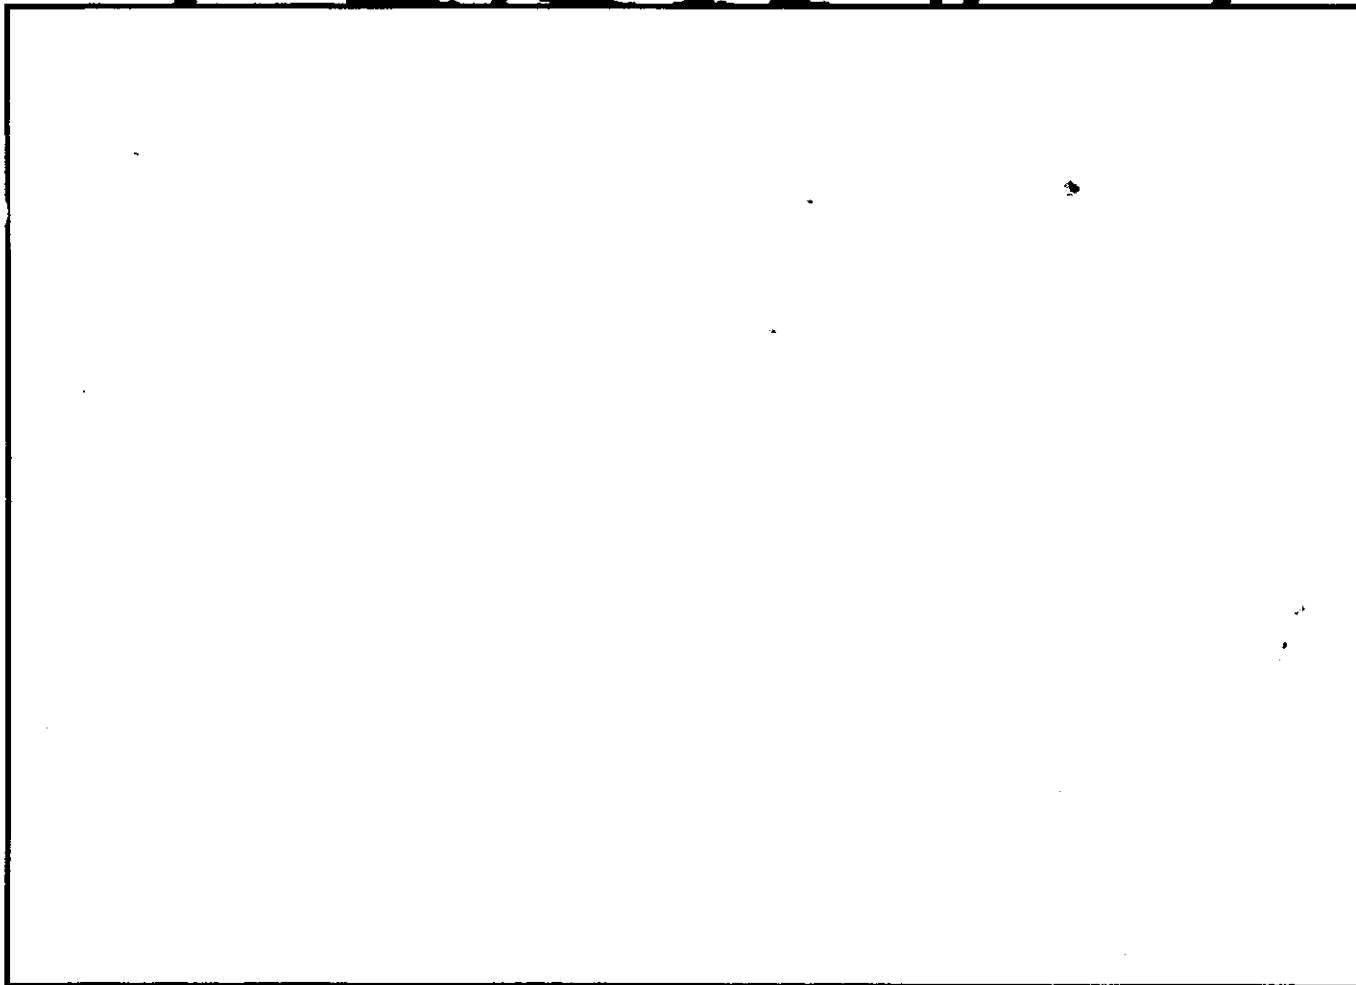

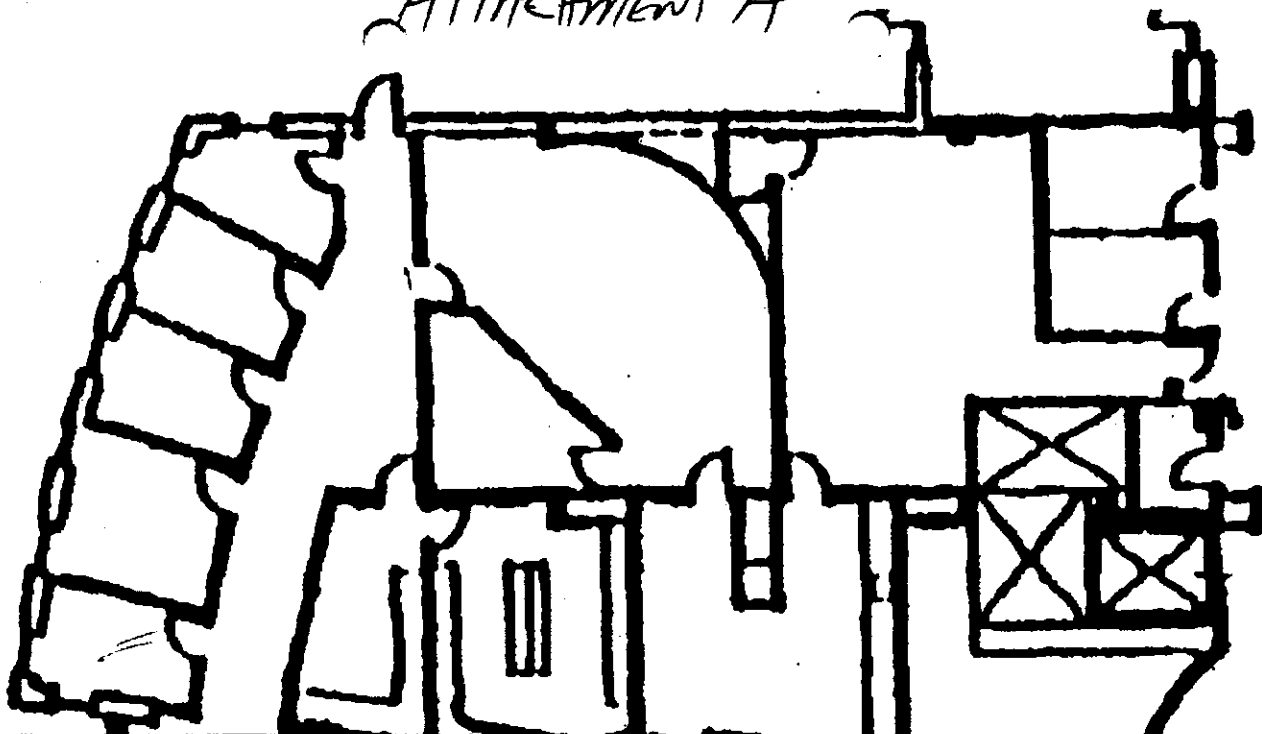

[REDACTED] did not know Eric Harris or Dylan Klebold. [REDACTED] did know of the Trench Coat Mafia. [REDACTED] thought most of the members of that group graduated last year. [REDACTED] did not know any students who were members of this so-called group but did know them to keep to themselves.

Because of the distance the gunman was from [REDACTED] and the backlighting, [REDACTED] could give no distinguishing features or a height for the gunman. the identity of the teacher but thought he looked like [REDACTED] though she knew it was not him. Thinking the activity was the result of a senior prank, [REDACTED] got up and started to move toward the door. She then heard three gunshots and got under her table. The male teacher pulled several students into the classroom. The students included [REDACTED]

[REDACTED] and possibly another student. [REDACTED] directed everyone into the Greenhouse Room connected to the classroom. [REDACTED]

[REDACTED] As she was moving into the Greenhouse Room, she heard two more gunshots coming from the hallway area.

The Greenhouse Room has two doors. One door leads to Science Room 11 and the other to the main hallway (Math/Science Hallway). The door to the main hallway has a window. The window was covered by a poster. The Greenhouse Room also has a window that overlooks the student parking lot. There were approximately 35 to 40 students and [REDACTED] in the room. [REDACTED] remembers looking at the clock in the classroom and it was 11:25 a.m.. She had looked at the clock as she heard the "stampede" of people or just prior to the "stampede". As she was going into the Greenhouse Room, she looked at the clock and it was 11:30 a.m..

[REDACTED] heard four to five explosions in the hallway right outside the Greenhouse Room in the direction of the Library. The first explosion occurred right after she got into the Greenhouse Room. She remembers the fire alarm going off as she was going into the room. The explosions were very loud and caused the floor to vibrate. She also heard "lots" of gunshots in the hallway, but could not give a specific number of gunshots she heard.

[REDACTED] had been limping when she came into the classroom. [REDACTED] sat next to a student named [REDACTED]. [REDACTED] stated she was in the cafeteria, had run up the stairs and then down the hallway by the Library. She said there were gunshots by the west entrance glass doors and she turned around and ran back down the hallway. She tripped by the platform of the stairs and that was why she was limping. [REDACTED] could not recall any additional specifics about [REDACTED] statements.

Approximately five to ten minutes after getting into the Greenhouse Room, [REDACTED] heard "boy voices" in the main hallway. One of the "boy voices" yelled he wanted to die. She was hearing lots of yelling by the "boy voices". The statement may have been "I want to die today". Approximately five to ten minutes later she heard one of the same "boy voices" yelling [REDACTED]. The statement with the name [REDACTED] was made referencing him to come to them or to go. The next thing she heard was what she thought were faint gunshots coming from an area near the front/main office. The individuals did go by the door to the Greenhouse Room several times. [REDACTED] could tell by the noises they were making. She could not recall the specific noises. She did hear them run up and down the stairs to the Cafeteria two or three times. Approximately thirty minutes later she heard an adult male voice state "put your weapon down." The voice was faint and was not outside Greenhouse Room in the hallway. [REDACTED] could not give a direction for the comment.

The gunshots than stopped for approximately one hour. She than heard what she thought were more gunshots and the same "boy voices" outside in the hallway. She could hear running and yelling in the hallway. [REDACTED] thought the voices and sounds she was hearing may also have been the police SWAT officers moving in the school. At about this same time, [REDACTED] opened the door leading from the Greenhouse Room to the classroom to let in some fresh air. [REDACTED] opened the door for thirty to sixty seconds and was leaning against the door the whole time. [REDACTED] was able to see into the classroom and noted the classroom door to the hallway was open.

At 2:15 p.m. a school bell rang, staying on for an extended period of time. [REDACTED] looked at a friend's watch, [REDACTED] to check the time. At approximately 2:45 p.m. SWAT officers entered the Greenhouse Room and began letting them out through the door to the hallway. They were lead down the stairs to the Cafeteria, out a door on the northwest side of the Cafeteria and up the outside stairs.

 Had 'Enemies' List of
 CLASSMATES

Some baffled by inclusion; none targeted in shooting

By Lynn Bartels

Eric Harris amassed a hate list of about 15 classmates who apparently angered him in the months leading up to his deadly attack on Columbine High School.

But none of those students was wounded or killed in the assault that Harris and Dylan Klebold carried out April 20.

Some of the students on the list didn't even know the two seniors and were baffled when investigators showed up to question them.

"We didn't understand why she was on the list," said Robin Fox, mother of sophomore Kim Fox.

"She didn't know either of these boys, she didn't hang out with them. The only thing we could think of was that she was in the Bible club."

The mystery of why some students were on the list may never be solved, said Division Chief John Kiekbusch of the Jefferson County Sheriff's Department.

"From our perspective, a lot of what we came across didn't make a lot of sense," he said. "You're dealing with two troubled individuals, and it probably did not take much of a slight to anger them."

Investigators have shied away from using "hit list" or "enemies list" to describe the writings.

But one student said FBI agents showed him a document containing about 15 names, including his. It was titled, "Hit List." The first letter was an S, which was crossed out.

The student, who asked not be identified, said the first name on the list was Brooks Brown, who graduated in May. The name

was crossed out, and the words "let live" were written next to it.

Brown had a falling-out with Harris in his junior year, but they resumed their friendship weeks before the shootings.

The student said the second name on the list was Rocky Hoffschneider, a 1998 Columbine graduate and athlete. Harris had told a number of people he hated Hoffschneider.

Investigators discovered the names in writings they seized from Harris' home after the shootings. Some names appeared on lists, others were contained in essays Harris apparently wrote.

It's unclear whether Klebold helped prepare any of the documents.

One name on a list was Ryan Whisenhut, a classmate who moved to Florida in the middle of his senior year. He said FBI agents visited him in Florida days after the shooting and wanted to know his connection to the gunmen.

Whisenhut said he and Harris were friends their freshman year, but when they were sophomores Harris didn't like him. He never knew why.

"He just sort of changed," Whisenhut said. "He wouldn't say why. He would just sort of give you this look like he could kill you."

When he and Harris saw each other in the halls, they would deliberately bump their shoulders in anger.

Whisenhut remained friends with Klebold.

Classmate Nick Baumgart's name also appeared on a Harris list.

"They were kind of friends in junior high, but from freshman year on they didn't have that much to do with each other," Nick's father, Dan Baumgart, said.

Harris and Klebold killed 12 students and a teacher and wounded more than 20 others before taking their own lives.

[redacted] there are windows we can look in
and a door on the outside

[redacted] you'll see when you get out here

[redacted] is it guarded? also we need to find
out where the cameras are so we can avoid them
(whoever made the swastikas knew where the
cameras were 'cause they didn't get taped)

b7C

b7D

[redacted] i have a way to see where the
camera is

[redacted] what

[redacted] i have baknockalars (sp?) i'll
show you everything that i mean when you get
out here:)

[redacted] heeheeee. let's just not get
arrested...my parents would have a fucking
stroke :)

[redacted] we can use the baknock. to see
where the camera is from behind a hil behind the
school the way we always go to the school from
[redacted] and if we wear all black, put our
hair up under baseball hats, and wear
sunglasses...no one could recognize us anyhow.
we def. need gloves though

[redacted] that way we can go up to the
school and have our celebration

[redacted] what if a cop car drives by? :)

[redacted] lay down beleive me i have done

1348

many missions with Eric and Dylan to know what
to do .1

[REDACTED] if we do get caught let's just get all
hysterical and tell them our boyfriends died in
there (so they'll feel bad and let us go) but don't
mention E. or D., let them think we meant one of
the other victims

[REDACTED] maybe we should get in touch with
those people from the CRTF (Columbine
Research Task Force)

[REDACTED] I ALREADY DID

[REDACTED] if i can find a really cheap flight
wanna come w/me to washington d.c. to do our
research?

[REDACTED] SURE

[REDACTED] we can pretend we're reporters.
and we can tour the FBI building...maybe talk to
someone..hm..or is that totally farfetched

[REDACTED] then we have to kill [REDACTED]
for lying about eric's baby hahaha

[REDACTED] NO B/C REPORTERS

WOULD BE THE LAST TO TELL WHAT
REALLY HAPPENED

[REDACTED]: who can we say we are then?
something official that would get us to talk to the
right people...

[REDACTED] hhhmmmm i dont know can you
make your self really ugly and pretend to be
Chelsy Clinton?

[REDACTED] HAHAAHAHA she's not THAT
ugly, maybe i'm uglier than her already LOL

[REDACTED] no your not

[REDACTED] you've never even seen me, i could
weigh 500 pounds LMFAO

[REDACTED] oh fucking well huh

[REDACTED] hahahhaa j/k

[REDACTED] heehee

[REDACTED] ok a flight to wash. would be \$300
but we can deal w/that later.
now for what we can do in CO...

[REDACTED] lets go to the mountains and
detonate a pipe bomb in remembrance of them
go to the school

[REDACTED] have a b-day cake for Dylan

[REDACTED] you detonate the pipe bomb. i

WILL fucking maim myself if i try. i have no

b7C

b7D

technical skills whatsoever

[redacted] yeah! b-day cake and vodka
[redacted] i wonder if his parents would be
upset if we left smething in front of their house,
like flowers and the cake or whatever

[redacted] and a 13 gun shot salute

[redacted] do ya have a gun?

[redacted] no

[redacted] well so much for that :)
[redacted] are we taking [redacted] w/us?

[redacted] i guess that would help huh

[redacted] we can bring our fake guns and

pretend

[redacted] we will go see [redacted] but

otherwise ????

[redacted] yeah, he doesn't seem the type
who'd like our missions

[redacted] do you still talk to [redacted] or
any other of e. and d.'s friends that would want
to help?

[redacted] NO

[redacted] oh well guess we're on our own
then

[redacted] do you trust that [redacted] guy?

[redacted] I CAN ASK HIM IF HE

WOULD WANT TO

[redacted] HE LOVES THE

KA-FUCKING BOOM SITE

[redacted] no, i just mean do you trust him in
general. this could be a LOT of shit to get into
and it's important to know for sure that he is for
real

[redacted] THAT'S WHY I'LL ASK HIM
IF HE WANT'S TO GO ONE 1 MISSION
TO SEE

[redacted] he lives in denver?
[redacted] what if he's some psycho killer

dude/

[redacted] YEP

[redacted] I CAN'T DIE

[redacted] so you might think

[redacted] WITH ALL I HAVE BEEN

THROUGH AND STILL AINT DEAD :)

[redacted] heeehee :) i wish ih ad your

immortality

[redacted] WHAT R YA DOIN' NOW?

b7C

b7D

1350

 [REDACTED] TRIN' TO DO STUFF TO TRY

 [REDACTED] like what
 [REDACTED] CHATTING
 [REDACTED] do you EVER sleep?

 [REDACTED] u should go to the doctor
 [REDACTED] WHY? SO I CAN GET

 [REDACTED] there has to be SOME dr. that
 would take you. go to the hospital and see if they

 [REDACTED] I DID, MONEY I DON'T
 HAVE RIGHT NOW :(OH WELL
 [REDACTED] as long as you think you will be
 ok...does your mom have insurance you could
 go under?
 [REDACTED] I'M ALL OUTA FAITH THIS

 [REDACTED] you should see "The Sixth Sense".
 it's really good
 [REDACTED] MAYBE
 [REDACTED] IF I EVER GET OUTA THE

 [REDACTED] i will drag ya out of the house :)

b7C

b7D

AAAAAAAAAUUUUUUUUUUUUUUUGGGG
 GGGGGGGGGGGGGGGGGGGGGGGGGHH
 HHHHHHHHHHHHHHHHHHHHHHHHHHH
 HHHHHHHHHHHHHHHHHHHHHHHHHHH
 HHHHHHHHHHHHHHHHHHHHHHHHHHH

1351

[illegible]

what the hell? are you ok?

I HAD TO LEAVE THAT

ROOM

 y?

B/C THEY WERE PISSING

ME OFF SO BAD AND I NEED TO GET

UNSTRESSED NOT STRESSED

[redacted] what were they saying? y'know

when i go out there we are going to get fucking
drunk and do stupid shit to cheer you up

starting tomorrow i need to lay off this shit and get going with my business again

[REDACTED] yeah, that's another reason i left edhdbk, it got addictive. when school starts i can't chat nearly as much. i will only talk to you and rachel

it's 3:10am and i am wide awake.

i am so pathetic. i am going down at such a fast
rate that i cant stop

[redacted] i'm a loser baby so why dont you
kill me

[redacted] stop it, you are not pathetic. you went through a fucking HORRIBLE traumatic experience and you lost two friends and to top it off, your friends are being assholes and you have all this other shit to contend with (media, your cousin, etc.) is it your fault???

NO. if you were a "loser" you would have lost it well before now. you will get through this. "everyone dies only [redacted] survives" ;P

[redacted] yeah well it looks like my time is
up [redacted] doesn't survive everything

your time is not up. please promise me you're not gonna do anything to change that. you and i have both been down THAT road before and it doesn't help. don't you think Eric would want you to be strong and get through this?

[redacted] no b/c i was suppose to be with him and Dylan

there so now you have it

you mean you were supposed to

B?C

b7D

help them that day?

YES OK I CANT KEEP IT IN
ANYMORE!!!!!!!!!!!!!!!!!!!!

what made you change your mind?

I AM SUCH A BAD

PERSON!!!!!!!!!!!!!!!!!!!!

how are you a bad person? you
didn't kill anyone. everyone makes mistakes

NO BUT IT WAS MY

PLANNING TOO

what changed your mind?

OH GAWD I NEED HELP

you do. but anyone would in that
situation, ! YOU ARE NOT A BAD

PERSON

i haven't known you long, granted,
but i think i know you fairly well and to me it
seems like you are a really cool person who got
caught in a BAD SITUATION..because she
CARED so much about her friends!

i wish that i can fly up into the sky

what happened on that day? would
it help to talk about it?

you KNOW i'm not gonna tell
anyone

ohhhhhhhhhh i want to get away i
want to fly away

do you know from

page? i invited her to the club so dont
delete her

she e-mailed me once about the
tears 4 ed webpage; i recognized her e-mail
address. y did you invite her? have u talked to
her?

yeah

i feel bad for her. she seems really
depressed

that's why i invited her

i let 2 of my friends down so i might as well try to
save someone

how did you let your friends
down. WHAT HAPPENED that day to make
you blame yourself so much? Eric called you that
morning, right? And you said you weren't going
to do it? Is that what happened/

my mom just e-mailed me saying

b7C

b7D

that she dloaded AIM and her s/n is [redacted]
how cute my mommy

[redacted] I take it she's [redacted] and she has
kitties? :)

[redacted] no i have the kitties and yes her
name is [redacted]

[redacted] that's cute
i'm going home to RI tomorrow to
drop off my kitties. my parents are babysitting
them while we move. i'm also trying to talk my
parents into getting another cat 'cause my baby
[redacted] died in March :(and one of our
other cats has been really depressed since

[redacted] oh how sad :(

[redacted] they get like that, it's weird, animals
mourn too

[redacted] but enough sad stuff!!!! are you
really ok. i mean really. would it help you to talk
about it or would you rather not?

[redacted] that's what i did for [redacted] she
needed a play buddie

[redacted] Did [redacted] name her cat [redacted] after

[redacted] i don't know what will help
anymore

[redacted] no she had [redacted] out if FL
[redacted] there has to be some way you can
see someone (professional). do you think that
will really help? if so i will look around on the
Net and see if there are any places that take you
w/o insurance and don't cost a lot

[redacted] that's weird, you guys named your
cats almost exactly the same thing...

[redacted] i've been kissed by a rose on a
grave

[redacted] is there any way you could get any
kind of job that had benefits. i mean, you're good
w/computers, maybe you could get some kind of
computer job? that way you would have the
benefits to go see someone?

[redacted] i cant even get outa the house let
alone get a job outside the house

[redacted] why can't you get out of the house?

[redacted] i just dont feel like it no one to go
out with ect

[redacted] it would be diff. for a job. what

b7C

b7D

1354

about your cousin? and didn't you say your friend called you the other day. besides, you have me when i come visit :) and i'm gonna be back again in dec. over x-mas break

[redacted] called and said they deserved it

[redacted]: aren't ANY of your friends nice?? why are they all being such psycho bitches (no offense if they're still your friends)

[redacted] no one is my friend except you now

[redacted] you will make other friends (although of course i will always be your twin) you're awesome and funny, if you let people in you will find REAL friends (not like those fake assholes) i guarantee it. that's another reason having a job would be good, you could meet more people. i'm totally antisocial so i know this from experience :)

[redacted] you really don't give yourself enough of a chance, ya know

[redacted] I guess that's why Eric and I clicked we are 1

[redacted] I didn't know Eric but it seems you are both very smart and funny yet with something inside you that tells you you're not good enough

[redacted] i feel angry

i feel helpless

want to chang the world

i feel violence

don't try to change my mind

[redacted] that is a song

[redacted] i know :)

[redacted] have u tried keeping a diary?

sometimes it helps to get everything out in writing (it worked for Eric!)

[redacted] yeah but it had everything about what happened in it and i burned it up so that the CBI wouldn't find it

[redacted] so what DID happen on that day??

why do you keep blaming yourself?

[redacted] just b/c it all went wrong when i didn't meet Eric at the bus stop where he was to pick me up

[redacted] you didn't cause ANYONE to die..and that includes Eric and Dylan

b7C

b7D

1355

[redacted] you had second thoughts, which probably saved your life, and if they had had the same thoughts it would have saved theirs too.

NOT YOUR FAULT!!!

[redacted] oh [redacted] if ya only knew [redacted] no matter what, you are still my friend and i will never believe you are a bad person

[redacted] if you did mess up it's only b/c you cared too much about Eric, I would bet

[redacted] it should've been ME!

[redacted] it shouldn't have been ANYONE

[redacted] i am not gonna ask you to tell me everything. if you want to i am hear to listen. k? but we never have to bring it up again if you don't want to. it's over and nothing can change it and you can't keep killing yourself over it

[redacted] i would tell ya but there is just so much that there isn't that much room

[redacted] well tell what you want to tell if it makes you feel better. if it makes you feel better not to talk about it that's cool too. whatever is easier for you. you have been through enough

[redacted] to type it all and we would be here for a week vuntill i'm done

[redacted] did you back out 'cause you were scared? and now you blame yourself for backing out? is that the gist of it or am i totally wrong?

[redacted] i didn't back out i couldn't get on the bus

bostnbytch: y not?

[redacted] didn't have a pass or money
[redacted] i live up in the mountains at the time

[redacted] ?? but didn't you plan it? what were you supposed to do, shoot people too? or was anyone even supposed to die at all?

[redacted] there were 4 guns 1 for me 1 for Eric 1 for Dylan and 1 for

[redacted] for who??

[redacted] this is weird, how come no one knows about any of this? not saying you're lying, DUH, but it's really strange. what the hell went wrong? and what was supposed to happen? (kill random people, kill specific people, blow up the

b7C

b7D

school, etc.?)

[redacted] the plan was for me to get on the bus and Eric would pick me up at Ace Express bus stop from there we would meet [redacted] and Dylan at Clement Park

[redacted]: why were you supposed to be in on it

[redacted] and what happened? didn't you say eric wanted to shoot just certain people? what went wrong

[redacted] from there we get everything up and going (as Dylan put it) we would go to the school I would be waiting in Eric's car on the south side looking for police [redacted] would be on the North side looking for police

[redacted] Eric would run in and shoot to scare people while Dylan waited outside

[redacted]: what the fuck went wrong...?

[redacted]: Eric would then run out and wait with Dylan and shoot the people running out [redacted] they would then run to [redacted] and

I and we would get away and go to my house and stay up there in the mountains where no one would find us

[redacted] I don't mean this hurtfully but WHY would you want to go along w/something like this? Why did they want to do it in the first place??

[redacted] backed out sometime that week

[redacted] I don't know why maybe it's b/c i never really had friends and b/c it was just i just don't know

[redacted] i guess that i got caught up in it [redacted] Maybe on one level you didn't think it could really happen...were people supposed to die?

[redacted] And because you loved Eric [redacted] but there is so much more and it goes into detail

[redacted] you don't have to tell me. it's ok. i just don't see why Eric and Dylan went ahead with everything, and how it all got so messed up.

[redacted] i told Eric to keep it quiet b/c if the police ever found out about me then that

b7C

b7D

1357

would ruin our "hide out"

[redacted] what if someone saw your car
[redacted] i just hope that [redacted] doesn't lose
it and say anything

[redacted] He has a lawyer. I'm pretty sure he
said that he heard them joking around about it
and didn't take it seriously. I don't think it's a
crime if you hear something but (allegedly) don't
believe it

[redacted] but the police are saying that in
the diary that it was suppose to be a suicide
mission NO NOTHING like that was in the
diary

[redacted] witnesses have said Eric was
screaming "TODAY I AM GOING TO
DIE"..was he suicidal?

[redacted] So much stuff isn't adding up and
that is why i want to talk to CTRF

[redacted] be careful. what if it is a setup?
[redacted] but if you know all the planning that
went into it...why do you think the gov't has
anything to do w/it?

[redacted] That's what I read but but no i
dont really think that he said that

[redacted] b/c of what we talked about:
numerous times

[redacted] just BE CAREFUL. i know you
know this but i'll say it anyway. as you have
already unfortunately seen, there are a lot of
people who will do anything for a few \$\$ and
some fame

[redacted] his dad even sat me down one
time and asked if Eric has said anything out of
the ordinary and of course I said no

[redacted] was this after or before the
shootings

[redacted] i know that's why i'm not gonna
say anything i'll be the one asking the questions
before

[redacted] i will help you. i promise
[redacted] i'm just scared. i have to admit that
[redacted] why?

[redacted] because this is deep shit and what if
it blows up in our faces

[redacted] it wont b/c i will die before thay
can do anything with me

b7C

b7D

1358

[redacted] yeah but i really don't want to die,
or get my life or yours fucked up forever either
[redacted] don't worry about it nothing will
happen just act normal

[redacted]: i've been "acting normal" :) for 22
years and it's worked so far :)

[redacted] i really appreciate that you trust me
this much. it is an awful lot of trust to place in
someone you only really know over the Internet

[redacted] if they haven't caught me yet then
you have nothing to worry about they will come
for me before they even think of getting you

[redacted] i don't want them to get you either

[redacted] i dont either but like we used to
always say shit happens

[redacted] but think about it, you didn't really
do anything wrong that they could get you for,
did you? you didn't hurt anyone

[redacted] i have a feeling that someone is
standing right behind me i am so scared

[redacted] there's no one there. it's ok

[redacted] like a gost and i am getting chills
on the right side of my body but not the left

[redacted] you are scaring yourself tod eath
over this, [redacted] what will it take for you to feel
ok again?

[redacted]: the only thing going through my
head is DYLAN DYLAN DYLAN DYLAN

[redacted]: i just want to know the truth about
this and if anyone is responsible besides eric and
dylan, if there is some coverup, i will do all i can
to expose it and make things right

[redacted]: ever since i first heard about this all
something just didn't click. i didn't know eric and
dylan but i had this weird feeling that i did, that i
knew enough to know they couldn't do
something so awful

[redacted] i just heard something i just
saw something

[redacted] what

[redacted] he's here

[redacted] dylan? you're scaring yourself
he can't be there and even if he
were a ghost why would he haunt you

[redacted]: it's like a good but scary feeling
[redacted] are you sure it's something real

b7C

b7D

1359

[REDACTED] i am so scared

[redacted] give me an ice water bath right

now i am so hot

[REDACTED] go take a cool shower and lie down

i dont know it just popped in my

head thoughts

1361

[redacted] maybe this is totally irrelevant (esp. if dylan wasn't really there) but i have had 3 dreams about columbine and only dylan has been in them and in all of them SOMETHING HAS BEEN WRONG

[redacted] same here i have had dreams about Eric but made up things and places [redacted] all my dreams about Columbine only Dylan has been there

[redacted] In both of the dreams I remember Dylan was killed. In the first one he and Eric were going to be executed (but I couldn't see Eric) and in the second I watched helplessly while the police shot him (Dylan)

[redacted] ok ok

[redacted] i'll take it down

[redacted] what are you talking about

[redacted] you just told me to take down my unicorn beanie off the top of my monitor

[redacted] stop it [redacted]

[redacted] what

[redacted] ok so i dont see that you wrote it

[redacted] where did you get the idea that i did. you are scaring me. [redacted] go take a cold bath and go lie down

[redacted] it's just a beanie baby why be scared

[redacted] because it came out of nowhere and you KNOW what's to be scared about

[redacted] lets talk about you coming out here and having fun :)

TABLE B - IDENTIFIED SUBJECTS / SUSPECTS: (who saw whom)

Witnesses identified persons whom they believed to have been involved in the offense. These identifications ranged from personal acquaintances to selection from photographic line-ups. Additional presumptive identifications were made based on physical description coupled with observation of known actions of the suspects. These later identifications were placed on the tables within parenthesis as being by description only.

The witness information was broken into three chronological time segments being "(immediately) before," "during," and "after" the time of offense.

In alphabetical order, two witnesses identified [redacted] one having identified him as having been involved before the offense and one during the time of offense.

Eric Harris was identified by five witnesses before and twenty-five during the commission of the offense, nine of which were by description only.

Dylan Klebold was identified by ten witnesses before and twenty-nine during the commission of the offense, seven of which were by description only.

b7C

Two witnesses identified [redacted] as being involved during the time of the offense as well as [redacted] was identified by one witness as having been involved during this time frame.

There were two additional categories of "Third Suspect(s)" and "Unidentified Suspect(s)."

The "Third Suspect(s)" category identifies witnesses who had seen more than two unidentified persons involved in the commission of the offense at the same time. Within this category of "Third Suspect(s)" there was one witness who had seen suspect(s) just before the offense, and four witnesses of suspects during the commission of the crime.

The "Unidentified Suspect(s)" category was set aside for those witnesses who had seen one or two suspects involved, before, during or after the time of the offense. Within this category there were four witnesses that saw persons they believed to have been involved in the offense before the crime occurred, and forty-six during the commission, with one additional witness seeing suspect(s) after the crime occurred.

CHRONOLOGICAL OUTSIDE WITNESS SUMMARY

The following is a chronological account of what was believed to have occurred outside at Columbine High School on April 20th, 1999, based on an amalgamation of the witness statements.

Eric Harris returned alone to the student parking lot at 11:10 a.m. and parked his 1986 gray Honda Civic bearing Colorado License Plate GBP2613 in space #371 assigned to student [REDACTED] in the junior lot. Harris then stood at the top of the exterior steps with a duffel bag looking toward the senior parking lot.

Eric Harris came into contact with **Brooks Brown** outside the school, where he briefly spoke to him telling him to leave as he "liked him." Shortly thereafter, Brown was seen walking on Pierce Street away from the area.

Dylan Klebold subsequently arrived back into the student parking lot alone in his 1982 black BMW bearing Colorado License Plate GBZ-2636, and parked in space #120 assigned to a student by the last name of [REDACTED] in the senior lot. Klebold then was said to have briefly stepped inside the cafeteria by the vending machines. Several witnesses identified Harris and Klebold standing together at the top of the exterior steps both wearing black trenchcoats.

At about 11:15 a.m. a witness heard one of the suspects say, "GO! GO!" then Dylan Klebold and Eric Harris retrieved guns from their duffel bags and began shooting at the students in the area from their position at the top of the steps.

Eric Harris took off his trenchcoat and laid it on the ground near the top of the steps early in the shooting. Dylan Klebold wore his black trenchcoat the entire time they remained outside.

A few of the initial gunshots shot toward the west doors struck **Rachael Scott** and **Richard Castaldo**, who were seated, eating their lunch on the north side of the library. Rachel Scott died from the gunshot wounds she suffered which struck the left side of her head, left arm, left thigh and left lower chest. Richard Castaldo was critically injured at the same time having received multiple gunshot wounds to his chest, abdomen and spine. Subsequently, Richard Castaldo was rescued by responding officers from where he was shot and transported for medical treatment for his injuries. Rachel Scott was also moved by these officers from where she had been shot and died.

Near this same time period the two suspects fired gunshots to the west and down the exterior concrete steps. Eric Harris rested his gun on the chainlink fence at the top of the steps and fired at students below them.

Of the ten witnesses identified as being on the grassy hillside, five of the students were sitting behind a few small pine trees to the west of the top of the exterior steps. The five students stood to run when gunshots were fired in their direction by the two suspects. Of these students [REDACTED] eluded injury; however, **Michael Johnson**, and **Mark Taylor** were struck by bullets. Michael Johnson suffered gunshots to

his leg, arm and face, but was able to reach the outdoor athletic storage shed where he took cover with others. Mark Taylor suffered a debilitating gunshot wound to his leg/thigh and fell back to the ground, and was unable to flee with the others.

At approximately the same time, students **Daniel Rohrbough**, **Lance Kirklin** and **Sean Graves** were shot as they were walking up the dirt slope between the steps and the cafeteria wall. Daniel Rohrbough suffered mortal gunshot wounds to his left chest causing trauma to his left and right lungs, heart and aorta and esophagus, as well as to his mid-abdomen causing trauma to his stomach and liver. Lance Kirklin initially suffered multiple gunshot injuries to his chest, shoulder foot and leg. Sean Graves suffered multiple gunshot wounds to his spine/torso. The three boys fell where they were shot; however, Sean Graves was able to move himself to the threshold of the northwest door to the cafeteria. Shortly after this Dylan Klebold walked down the steps and shot Lance Kirklin on the side of his face. Eric Harris was said to have continued shooting in the area down the steps while Klebold was walking up and down the steps. Klebold was said to have stepped just inside this cafeteria door briefly, then returned to the top of the steps.

During this same time period, **Anne Marie Hochhalter** was shot multiple times to her chest and spine as she stood to run from where she was seated at the curb with friends by the senior parking lot. Anne Marie Hochhalter fell back to the sidewalk due to the debilitating gunshot wounds. One of her friends who had been seated with her, [REDACTED] returned to her aid and pulled her from the line of fire, laying her outside by the cafeteria wall.

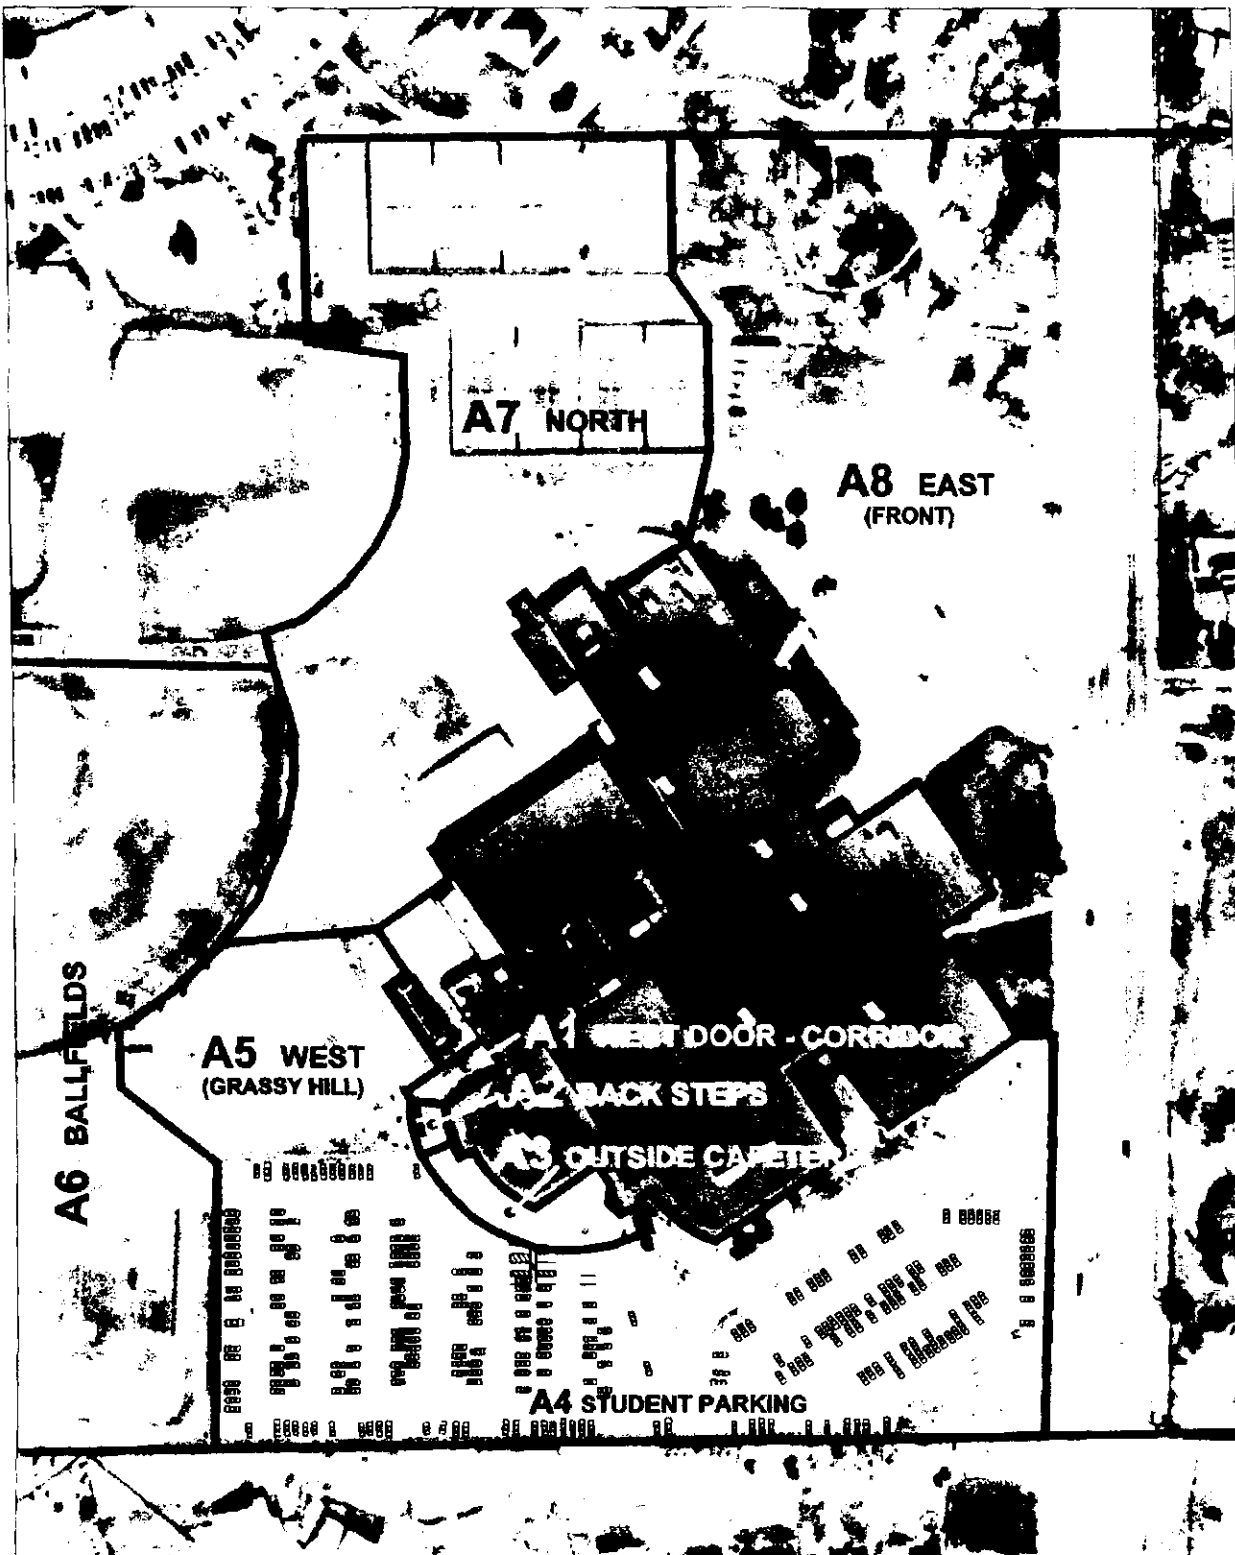

The two suspects shot additional gunshots toward the students fleeing on the ballfields; however, none of the students were struck by the bullets.

Shortly before the two suspects went into the school Harris turned and shot through the west doors/glass injuring student **Brian Anderson** and Teacher **Patty Nielson**. These injuries were described as Anderson having suffered wounds to his chest from gunshot fragments, and Nielson suffered abrasions to her shoulder, forearm and knee.

From the onset and continuing throughout the outside shooting, both suspects were seen lighting and throwing explosive devices onto the roof, into the parking lot and toward the grassy hillside.

Dylan Klebold was described to have subsequently come just outside the east/main entrance and shot toward the persons whom had fled to Leawood Park.

Several times, Eric Harris returned from within the school to the west doors and exchanged gunfire with responding law enforcement officers.
