[redacted] grades and u half to dress in black
how do you know when someone's a member? I mean, do they ask to be invited into the group?

[redacted] every one thinks that the tcm was involved in the shooting
but they wernt we had know idea that Dylan and Eric were going to do this

[redacted] what about their likes and dislikes? what about Hitler?

[redacted] The dilikes are americans and Jocks
you mean the dislikes?

but, they were americans, right?
sorry Africans
what was their nationality, not nationality, umm, their heritage? I mean were they English, German, Italian, that kind of thing?

[redacted] you mean the enemies of tcm are africans and jocks?
They loved German
yea
were they german?
no
do all tcm's hate africans and jocks?
yea

b7D

[redacted] vietnamese?

jews are okay?
yes
what religion was eric and dylan? or their families?
Catholic
did any of your friends die at the school on 4-20th?
just Eric and Dylan
were you at school that day?
yes
did you know any of the others that died? wehre were you when it happend? I mean, were you with eric an dylan?

[redacted] u mean helping them with the killing?
i didn't mean that, but did you? did you see them when they killed themselves? did you get to comfort them
[redacted] i never believe much on the tv and i don't really know much

1018

about it.

[redacted]
themselves?

No i did not help them to kill the people,
did you get to comfort Eric and Dylan after they shot

[redacted]

no
they were all bloody
did you see Eric and Dylan after they shot themselves?

hours

[redacted]
i was in the library

yes i saw Eric and Dylan after they shoot themselfe, and

[redacted]

were you scared?

Cause they wouldnt shoot me

[redacted]

why didn't you stay with them
were they afraid of being shot by the cops?
no because the whole school was traped because of the

pipe

bombs and the bombs in the propane tank

[redacted] who were the guys that got arrested outside the school? I
remember 2 or 3 guys just walking and the cops had them lined up and
made them lay on the ground. who were they and what was that all
about?

[redacted]

?
on tv they showed the cops arresting 2 or 3 guys. I was
leaving the house and didn't see all of it. later i heard that they

did she actually have the phone service stopped or just
disconnect the phone from the wall?

[redacted]

Just took the phone out of the wall
did Eric or Dylan have girlfriends or were they gay? I
hope I'm not sounding disrespectful. I don't mean to be. I just want
to get to know more about what and who they were in life.

[redacted]

The wernt gay and they kind of had a girlfriend
did they share a girlfriend? what was her name?
Eric and Dylan must have been extremely unhappy, you
think? Unhappy, sad, angry??

think that would be a kind thing to do.

[redacted]

no she is part of the TCM
most people are not thinking about the reality that both
Eric and Dylan's family have lost a son. There are so many sad people
do you mean i can't call [redacted] because she's part of the

[redacted]

TCM?

[redacted]

yea

[redacted] What is the test I have to pass? Okay, I almost know you, I'm a 3.9, I love dressing in black (like isn't that what my closet is made of? Yep) and All I Need Now is the TEST. well.....

[redacted] oh yea u half to go to CHS
but, I thought there were members out of the city and even out of state?

[redacted] well yea but not connected with us they just copied us
If Eric and or Dylan asked you to help them that day,

would
you?

[redacted] no
but, they were your friends and members of the same group.

Not that I'm saying you should have helped, but what would you have said
if they asked?

[redacted] probably no
What made Eric or Dylan think that you wouldn't have tried to stop them that day?

[redacted] They did not tell anyone
that they were shooting people
I meant that day at the school. what made them think that you wouldn't try to stop them. Did you go to any of the funerals or memorials or whatever they had for the others?

[redacted] i would of probably tried to stop them but they would of done it anyway

[redacted] is it true that they made the bombs in one of their garages? did you ever see them, or weren't you that close to them?

[redacted] I know that they made bombs in the garages see pipe bombs are easy to make and they need fireworks power stuff and Eric worked part time at a firwork stand so he could get the power

[redacted] Wow, he really knew that stuff?
did you ever really see any of their bombs?
yes do want the directions to make a pipe bomb?
my sister said that one of Eric's neighbors said on tv

that
he complained for 2 weeks about all of the banging and noise coming from
Eric's garage. Didn't Eric's parents come out to see what they were doing?

[redacted] male or fem????

were you at school that day?
yes
did you know any of the others that died? wehre were you when it happend? I mean, were you with eric an dylan?
u mean helping them with the killing?
i didn't mean that, but did you? did you see them when they killed themselves? did you get to comfort them
i never believe much on the tv and i don't really know much about it.

[redacted] No i did not help them to kill the people,

[redacted]

b7C

b7D

1022

[redacted] did you get to comfort Eric and Dylan after they shot themselves?

[redacted] no
they were all bloody
did you see Eric and Dylan after they shot themselves?
where did you stay during the shootings? I heard it went on for 4 hours.

[redacted] yes i saw Eric and Dylan after they shoot themselves, and i was in the library

[redacted] were you scared?
no

Cause they wouldnt shoot me

[redacted] why didn't you stay with them
were they afraid of being shot by the cops?
no because the whole school was traped because of the

pipe
bombs and the bombs in the propane tank

[redacted] who were the guys that got arrested outside the school? I remember 2 or 3 guys just walking and the cops had them lined up and made them lay on the ground. who were they and what was that all about?

[redacted] ?
on tv they showed the cops arresting 2 or 3 guys. I was leaving the house and didn't see all of it. later i heard that they said the guys were part of tcm

[redacted] oh
that was in the middle of the shootings that the cops got the guys outside the school. who were the guys, tcm's?

[redacted] btw, my name's [redacted] what's yours?

[redacted] hi [redacted]
can i call you sometime? i'm going to my big sister's apartment later on for the weekend and i'd love to call you from there, if it's alright?

[redacted] sorry my mom took the phone out because every one was calling and asking too much

[redacted] oh my gosh, sorry.
how did they know to call you?
did she actually have the phone service stopped or just disconnect the phone from the wall?

[redacted] Just took the phone out of the wall
did Eric or Dylan have girlfriends or were they gay? I hope I'm not sounding disrespectful. I don't mean to be. I just want to get to know more about what and who they were in life.

[redacted] The wernt gay and they kind of had a girlfriend
did they share a girlfriend? what was her name?
Eric and Dylan must have been extremely unhappy, you think? Unhappy, sad, angry??

[redacted] No what i ment by that was that they spent much time in the tcm that they didnt have time and i think here name was [redacted]

[redacted] no not really
could i call [redacted] i'd like to send her something. i think that would be a kind thing to do.

[redacted] no she is part of the TCM
most people are not thinking about the reality that both Eric and Dylan's family have lost a son. There are so many sad people do you mean i can't call [redacted] because she's part of the

TCM?

[redacted] yea
sry
she doesnt want people calling here
oh, I'm sorry.
do you live with [redacted]

b7C

b7D

1023

[redacted] no
I mean are you related like her brother. ooops you
answered alr=eady
[redacted] May I send you a letter?
email
like in snail mail? a little more personal friendship
that
way.
[redacted] no the old fashioned way. you wait for the mail man and
go, "Wow, I got mail"
[redacted] I make outrageous cards and I'd like to send you one.
Sometimes they actually get framed by people
well, ok
brb
ok
are you back?
i had time to run to the kitchen and make a drink. and
you're still poking around. hummmmm. now what could you be doing??
[redacted] sory back
okay
I've been trying to figure out which card to send you.
are
you into funny, satire, earth, ?? just let me know your knitch in life
and I'll find or create the perfect card for you.
[redacted] thankx
tell me a little about your favs. music, movie, main
bitch, main love.....
[redacted] i mean main gripe when i said bitch, sorry. california
talk
[redacted] dont care aboyt the music, movie i like the matrix, the
main gripe?, [redacted] shes funny, nice, and did not die in CHS
[redacted] who is [redacted] glfriend?
yea
The Matrix was awesome.
yea
Is [redacted] a TCM?
no not really but she is going to become one
Was it Eric or Dylan who was the leader or head of TCM, or
was it someone else? Who's the head person now?
[redacted] dylan and eric are not the head and i can not say who the
is the head
[redacted] What will she or some other girl have to do to become a
TCM
member? What would I have to do to become a member. Oh, and what
other
states have members?
[redacted] u half ot know some one in the TCM, get good grades, dress
in black, and pass a test like thing
[redacted] I love it. tell me about the test. I reeeeeeeaaaaaaly am
interested.
[redacted] cant .that is in violation of the rules
Is there a fee and what do I have to do. How can i find
out what i need to do unless you tell me?
no fee
okay, then what do i have to do to become a member of TCM?
i just told u
I guess I didn't follow what you said, Please tell me
again.
[redacted] u half ot know some one in the TCM, get good grades, dress
in black, and pass a test like thing

b7C

b7D

1024

[redacted] What is the test I have to pass? Okay, I almost know you, I'm a 3.9, I love dressing in black (like isn't that what my closet is made of? Yep) and All I Need Now is the TEST. well.....

[redacted] oh yea u half to go to CHS
but, I thought there were members out of the city and even out of state?

[redacted] well yea but not connected with us they just copied us
If Eric and or Dylan asked you to help them that day, would you?

[redacted] no
but, they were your friends and members of the same group.

Not that I'm saying you should have helped, but what would you have said if they asked?

[redacted] probably no
What made Eric or Dylan think that you wouldn't have tried to stop them that day?

[redacted] They did not tell anyone that they were shooting people
I meant that day at the school. what made them think that you wouldn't try to stop them. Did you go to any of the funerals or memorials or whatever they had for the others?

[redacted] i would of probably tried to stop them but they would of done it anyway

[redacted] is it true that they made the bombs in one of their garages? did you ever see them, or weren't you that close to them?

[redacted] I know that they made bombs in the garages see pipe bombs are easy to make and they need fireworks power stuff and Eric worked part time at a firwork stand so he could get the power

[redacted] Wow, he really knew that stuff?
did you ever really see any of their bombs?
yes do want the directions to make a pipe bomb?
my sister said that one of Eric's neighbors said on tv that

he complained for 2 weeks about all of the banging and noise coming from Eric's garage. Didn't Eric's parents come out to see what they were doing?

[redacted] at the above point in the Instant Messaging, he suddenly went offline. I immediately tried to send him an Instant Message, but found that before he went offline he deleted his screen name.]

[redacted] below is all of the posting I could copy (due to how many were typing and how fast it was going) from the aol chatroom TCM. I apologize for the duplications, but I had to continue to do cut and paste in order to catch as much as possible as the posting stream would erace after a certain amount was listed:

COLUMBINE HIGH SCHOOL /

ACTUAL OR ATTEMPTED BOMBING;
DOMESTIC POLICE COOPERATION;

Synopsis: Overview of writer's involvement in captioned matter.

Details: On 4/20/99 writer, along with other members of Squad 3, returned to the Federal Building after lunch, around 12:15 pm. We were met by SAC Frank A. LoTurco who proceeded to inform us of an on-going situation at Columbine High School (CHS) in Jefferson County.

SSA [REDACTED] discussed the matter with SA [REDACTED] and it was decided that we would respond to the scene to inquire if our assistance was needed.

SA [REDACTED] advised SA [REDACTED] that in the event the SWAT Team was needed, he would coordinate their response. SA [REDACTED] proceeded to load his bomb technician equipment as there was mention that bombs had been used or were found at the scene. Upon arrival at CHS, SSA [REDACTED] contacted the Command Post where our assistance was requested.

The SWAT Team arrived on scene and was utilized initially as a hostage corridor, escorting students out of the high school. In addition, the team was then tasked to clear the southeast area of the school for possible additional subjects as it was rumored that there were more than two subjects. Having cleared the school, all SWAT Teams exited the front door and the Bomb Technicians were subsequently escorted inside to handle the multitude of Improvised Explosive Devices (IEDs) that the

subjects had brought into the school, as well as the vehicles which were parked in the school's parking lots. Writer assisted the local bomb technicians and handled Render Safe Procedures for approximately 50 IEDs.

On 4/21/99, writer assisted in the search of Dylan Klebod's residence and located eight additional IEDs, as well as the sawed-off barrels of the weapon he had carried at the school. Fireworks, videos and other related evidentiary objects were also located. This same date, the IEDs located the previous day at CHS were transported to the Jefferson County Range and detonated and/or rendered safe and placed into the Jefferson County Sheriff's Office Evidence Bunker.

On 4/22/99, writer went back to CHS and cleared approximately 200 backpacks located in the cafeteria area. Prior to this, an additional propane pipe bomb was located in one of the backpacks. This was rendered safe on site.

In all, there were over 60 IEDs discovered that Harris and Klebold had manufactured.

bomb threats at schools across the country. Bomb threats should be handled as 174C matters. Offices should refer to MIOG, Part I, Section 174 - 3.2 for guidance. In view of ACS, these matters should be reported via Electronic Communication (EC) with the seven copies of LHM as enclosures instead of the traditional FD-365. Any questions should be directed to NSD, DTQU, [redacted]

Regarding firearms act matters, MIOG, Part I, Section 4-2, states, "the FBI has only a secondary jurisdiction over the enforcement of the National Firearms Act and the State Firearms Control Assistance Act. Primary investigative jurisdiction rests in the U.S. Treasury Department and has been delegated by the Secretary of the Treasury to the Bureau of Alcohol, Tobacco and Firearms. The Internal Revenue Service still has jurisdiction over the collection of taxes imposed by these statutes and issuing the transfer orders as provided by the National Firearms Act. The Bureau of Alcohol, Tobacco and Firearms enforces the criminal violations. Therefore, unless a violation of the National Firearms Act or the State Firearms Control Assistance Act grows out of a violation within the FBI's primary investigative, no investigation should be conducted and any complaints received should be referred to the Bureau of Alcohol, Tobacco and Firearms. Pertinent information concerning convictions obtained by the FBI under these acts should be furnished to the nearest regional office of the Bureau of Alcohol, Tobacco and Firearms. This may be furnished in a form of a short dissemination memorandum".

If there are exigent circumstances wherein local law enforcement authorities request FBI assistance, firearms matters may be investigated. However, every effort should be made to work these cases jointly with the Bureau of Alcohol, Tobacco and Firearms. Field Offices should refer to MIOG, Part I, Section 4-3 for guidance on the investigative procedure in firearms matters. Any questions should be referred to CID, IT/GRCU, (202)324-4192.

Field Offices should also be aware that individuals suspected of involvement in shooting/bombing incidents such as the Columbine High School Incident in Littleton, Colorado, may utilize the Internet or the United States Mail to transmit threatening communications. Title 18, USC, Section 875 (c) states, "whoever transmits in interstate or foreign commerce any communication containing any threat to kidnap any person or any threat to injure the person of another, shall be fined not more than \$1,000 or imprisoned not more than five years, or both." Additionally, the FBI has investigative responsibility for violations of Title 18, USC, Section 876, Mailing Threatening Communications, wherein the addressee is threatened with injury, or another (other than the addressee) is threatened with kidnapping. Investigations of individuals suspected of transmitting such threatening communications should be classified as 9A Extortion-Aggravated Or Overt Threats, or 9B Ek MIOG, Part I, Section 9-2.2 and 9-2.3.

The FBI has exclusive jurisdiction over all of the above extortion statutes except those parts of Section 876 wherein the threatened act is to injure a person's reputation and/or accuse a person of a crime and/or reveal illicit practices or associations. Such matters should be

As a former high school student and a current college student I find myself very concerned in the situation at Columbine High School and would like to do whatever I can to help see it come to an end. I don't know if this web page is a joke or whatnot, but I do know that something of this magnitude especially after such a travesty that has occurred, should never be not taken seriously. THERE IS A SUICIDE NOTE THAT ERIC HARRIS WROTE AND I THINK HE DID RIGHT WRITE IT IN MY OPINION WHEN HE SAYS:

ALL THAT I CAN SAY LEAVE YOU WITH TO DECIPHER WHAT MORE EXTENSIVE IS TO COME IS "12SKIZTO."
IF YOU THINK ABOUT IT IT MEANS THAT BACK WHEN HITLER WAS IN CONTROL THEY PUT UP THE WALL, AND PEOPLE COULD NOT GET OUT. BY THIS IT MEANS JUST THIS "IT WAS A WALL THAT KEPT THEIR PEOPLE IN, REFUSED TO ALLOW THEM ACCESS TO THE OTHER WORLD, AND PEOPLE WANTED FREEDOM.

SO THE ONLY OTHER THING IS FOR YOU GUYS TO LOOK IN THE FENCED AREA ON THE NORTH END OR THE WEST END I AM NOT SURE BY THE BASEBALL FIELDS THE AIR CONDITIONERS OR THE FURNACES. I DO NOT KNOW WHAT THEY ARE BUT THERE HAS TO BE SOMETHING THERE BECAUSE THAT IS THE ONLY FENCED IN AREA THAT I COULD SEE. ENLES I AM WRONG THEN YOU GUYS CAN DO THAT AND LOOK OTHER PLACES. AS IT SAID IN THE EMAIL IT IS ONLY TIL THE 26 OF APRIL IT IS MY OPINION TO HELP SO I AM HELPING YOU OUT ALL THAT I CAN SAY IS THAT I AM JUST HELPING YOU OUT THAT IS IT.
AND IF YOU COULD KEEP MY NAME OUT OF THIS IF YOU HAVE TO TALK TO ME THEN PLEASE JUST COME TO ME I DO NOT WANT THIS TO GET OUT.
THANK YOU FOR READING AND GOOD LUCK!

Dear Sir/Madam,

In light of the most recent Colorado High School shooting, I've have come across an interesting Internet site that might fit the profile of a disturb kid.

My TCI @Home site was attacked by ICMP, various TCP (XMAS, SYN, FIN, RST) attacks. Normally I would disregard and not bother you with this since my site was running a secured firewall.

b7C

But what did catch my attention was the following login banner from my work (Efficient Network) when I went to checkout the offender's Internet site using FTP.

The banner reads:

Connected to 24.5.169.125.
220- TURBULENCE WORLD HEADQUARTERS WAR-FTPD 1.66x4 Ready

Given the precarious nature of our domestic security, I felt compeled to bring this to your attention.

Coordially,

I figured since Los Angeles is a BIG city, maybe you can help. There's a website out related to the Trench Coat Mafia shooting thing in Colorado. Links are going around on AOL. I got this out of a chat room..... I have to say I'm terrified to go to school.. It's insane. Anyways, this website has instructions to make a pipebomb and all this info about the people involved in the shooting. I don't know who to go to to report a webpage, but I figured the FBI would be best.

b7C

<http://www.affiliatedrecords.com/tcm/info.html>

That's the page. It scares me that kids can get on the internet and download instructions for destruction. Thanks.... if you can help... or send this to someone who can. Me and probably a million others would feel better if this site were taken down.

Subject: possible Littleton lead

I was reading in the New York Times yesterday that Eric Harris was an avid gamer. Particularly with a game called Doom. This is a first-person shootem-up game. Very gory. According to the NYT he was already astute enough in 1996 to create his own variations of the game. These variations are called "wads". There is a large group of enthusiasts who create and share their own wads. A wad is loaded when the game is loaded and then it puts the user in a virtual world that he has created himself. For example, he can create the bridge of Star Trek's Enterprise. He can create a virtual replication of his house, with various rooms.

b7C

He can create a high school in Littleton.

He can practice his shootem-up in his virtual world before taking it to his real world. There are no consequences in the virtual world. This is why therapists use virtual worlds to desensitize patients suffering from Acrophobia and Arachnophobia.

The question I have is, have the police checked his computer for wads? They need to find the wads and have someone astute in these matters run each wad and see if Eric has been practicing his rampage in a virtual world. It is possible that the investigators are older and not savvy enough to explore this possibility. (I hate the silly games myself.)

The point is, if a Littleton wad exists then it may also exist on the computers of the other suspects currently being investigated.

Moreover, these wads are easily uploaded to the net wherever these gamers share these files. (I don't know where; but you can probably find out in two minutes.) If such a wad exists, it could have been uploaded to the web anonymously both in terms of from where it came and also exactly what it was representing -- that is a user might not recognize it as the Littleton school. It could have been presented as something else via its filename and accompanying documentation as some other building.) Either way, if you had the wad on the Harris computer you could trace it both to other suspect's computers directly and if need be from wherever it was uploaded to web by tracing it backwards.

I went to the FBI main page and there seems to be little incentive for them to receive email, however, I did find this email address buried on their site so that is why I am sending this note here. I hope that you might pass this notion about the wads on to whomever is appropriate if you feel that it warrants any merit.

I suspect whomever is inspecting this situation is ten steps ahead of the ideas presented above, however, in the odd chance that nobody has thought of it I felt that there is no harm in you reading a few paragraphs and dismissing it all if you felt that was most apt.

As I suspect you are understaffed to respond to every email you receive, I do not expect you to respond to this missive. I'm just happy to know that perhaps I have helped.

Thank you for your time.

Sincerely,

[redacted]

To Whom it may concern.

I am a UPS driver in San Diego. The reason I am contacting you is that I couldn't find an e-mail address for the field office in Colorado. This is not a joke so please treat it as seriously as you think it might be.

On Monday April 24th I made my daily pickup at Casual Corner in the UTC mall. They had a package destined for Littleton Colorado which in and of itself would not be unusual, however, the sales girl informed me that inside the box is a black trench coat. This concerned me in the light of what took place on last Tuesday in that same town. I informed my immediate supervisor in hopes that something might be checked on but I think they dropped the ball and didn't take it seriously. This morning April 27 I talked with the loss prevention supervisor and he seemed more concerned so I gave him the address and information, but I wanted to do more. So I am sending you the name and address of the girl to whom the package is going. Please do what you can. Thank you. The package is addressed to [REDACTED] Littleton, Co. 80121. The package should arrive on Thursday sometime.

Thank you for your help.

In His precious name. . .

Do not mean to waste the governments time, but I just got done reading about Clinton's visit to Columbine and ran into this website. I found a particular interest in the guns the Boy Scout troop had in my leisurely search to find a sunset picture for my desktop. Not hunting rifles mind you, but M-16's that can be assembled and loaded faster by the Boy Scout's than our military. Is this a farce, or should this raise an eyebrow. No need to respond, I'm just concerned.
